

# **Be Strong**

**Cupboard is barren  
Wolf's at the door  
Your body is theirs  
It's a crime to be poor**

**Is it a nightmare  
Living the dream?  
Being a nation  
How hard could it be?**

**Why is it so hard for us  
To care for one another?  
Isn't it so obvious?  
We're sisters and we're brothers**

**Well the night is long  
When the right is wrong  
We will sing this song  
Be strong, my people, be strong**

**American nightmare  
Living the dream  
Being a people  
How hard could it be?**

**The aim of the ruthless  
To own you and me  
Raise up your voices  
We've got to break free**
