Chapter 1: Foundation

1. Foundation
 - 1.1. Mission Statement
 - 1.2. Organizational Structure
 - 1.3. Decision Making
 - 1.4. Non-discrimination
 - 1.5. Parental Involvement
-

- (1.1) **Mission Statement:** Our mission is to maintain and grow a learning center/school where emotionally mature and creative students can advance their studies in preparation for any secondary institution of learning they choose to attend. We strive to give every student the education he or she deserves and needs.
- (1.2) **Organizational Structure:** The school is controlled and run by the Board of Directors. The Board sets policies and guidelines for the school to follow, and then hires a Principal to carry out these policies, and maintain the day-to-day operations of the school. The Principal consults with the staff members in order to allow for the greatest possible staff participation in the decision making of the school.
- (1.3) **Decision Making:** The Board of Directors is responsible for setting the budget, establishing school wide policies and overseeing the general operation of the school. It is the Principal's responsibility to ensure these policies are carried out, and to develop a system that ensures the input of school staff, students and community.
- (1.4) **Non-discrimination:** Pinellas Preparatory Academy does not discriminate against pupils or employees on the basis of sex, race, color, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability or handicap in its education programs or activities.

Retaliation against any employee, applicant, volunteer or student because he or she has made a complaint, assisted with an investigation, or instituted proceedings is also a form of discrimination.

- (1.5) **Parental Involvement:** We believe that educating a child is not something that can happen in only one environment, and requires the active participation of adults from various perspectives to best influence children. As such, we believe parental involvement in a child's education and in the school itself is essential for promoting a positive learning atmosphere.

Parents are actively encouraged to participate within the school in any way possible. This could include volunteering to assist in the classroom, volunteering to chaperon events for the school, assisting in the office, volunteering for the Parent Teacher Enrichment Group or by serving on the Board of Directors. Parents should seek ways to involve themselves within the school.

- (2.1) **Board of Directors:** The Board of Directors is a legal requirement for a charter school organized as a not for profit organization and ensures its operations continue to focus on service to the public. In addition to its legal responsibilities the Board of Directors supports the School's mission and seeks to promote it by advocating its educational philosophy.

- (2.2) **General Powers:** All affairs of the Corporation shall be overseen by the Board of Directors. The Board of Directors primary duties include but are not limited to the hiring and evaluation of the Principal, setting of Policies and Procedures, strategic planning and assessment of the school in accomplishing the mission of the Corporation and oversight of the public trust.
- (2.3) **General Responsibilities:** In exchange for direct and indirect financial assistance from state and federal governments, state charter school legislation, as well as non profit corporate law requires the Board of Directors to serve as guardians of the “public trust”. This structure makes the schools management accountable to the Board of Directors, who due to their voluntary nature, can effectively provide financial oversight since no personal gain is involved.

Election to the Board of Directors carries with it a responsibility of stewardship. The trustees are the custodians of the integrity of the school; they hold in trust the school’s reputation as created by its founders, and as developed by those who have shaped the school in the past. Current trustees accept the obligation to not only preserve, but also add to this organization. In this way board members help form not only the present, but also the future composition of the school.

- (2.4) **Governance Meetings:** The Board of Directors shall fulfill these duties by meeting no less than every other month. In compliance with the Florida Law the Board publishes the schedule of its meetings and holds them in open session, with the understanding that non-board members may attend and observe and that the Board will go into Executive Session when discussing confidential, contractual and personnel matters.

- (2.5.3) **Treasurer:** The Treasurer shall be responsible for overseeing all funds and securities of the Corporation and perform all duties incident to the office of Treasurer and other duties assigned to him or her by the Chair or Board of Directors. The Treasurer is responsible, with the Principal for ensuring the monthly financial reports and the end of the year audit are completed and filed with the county in a timely manner.
- (2.5.4) **Secretary:** The Secretary shall keep minutes of the meetings of the Board of Directors in a book provided for that purpose and maintained at the school, be custodian of the corporations records and such duties as assigned by the Chairman or Board of Directors, and other duties incident to the office of Secretary.

The Principal will ensure the Board of Directors is informed on a report of revenue and expenses compared to the budget, a cash flow projection update from the accountant, a balance sheet showing the financial position of the organization at the time, a report on the number of students currently enrolled compared with the number projected and compared with the number in the same time period last year, a report on fund raising activities and results, and a list of critical issues that might affect the financial stability of the charter school.

(2.6.3) **Board Powers:** The Board of Directors affirms that the trustees, officers, administrators, faculty and other employees of the school have an obligation to exercise their authority and to carry out the duties of their respective positions for the sole benefit of the school. They should avoid placing themselves in positions in which their personal interests are, or may be, in conflict with the interests of the school.

(2.6.4) **Conflict of Interest:** Where a potential conflict of interest exists, it shall be the responsibility of the person involved or any other person with knowledge to notify the Board of Directors of the circumstances resulting in the potential conflict. The Board of Directors can provide such guidance and take action as it shall deem appropriate. Each Board member will sign the Conflict of Interest Statement.

(2.7) **Operational Procedures:**

- (2.7.1) **Meetings:** The annual meeting of the Board of Directors shall be held in July of each year. Operational Board Meetings will be held at least every other month on the second Thursday of the month. - (2.7.6.3) **Authority:** The designation of such committees and the delegation thereto of authority shall not operate to relieve the Board of Directors or any individual member thereof of any responsibility imposed on it, him, or her by law. Committee recommendations are not binding until and unless adopted by a majority vote of the Board of Directors in session, provided a quorum is present.
- (2.8) **Employer Responsibilities:**

If a staff member uses all PTO allotted to them, any additional sick days will be without pay. PTO time will be awarded at the beginning of the school year, should an employee leave before the end of the school, PTO will be prorated and the employee will be expected to pay back over-used PTO.

For salaried employees, the amount to be paid back will be calculated by taking the employee's salary, divided by the number of days to be worked during the year, times the number of PTO days remaining. Hourly employees will have their time calculated by taking their typical work hours times their hourly rate, times the number of PTO days remaining.

(3.2.4) Leaves (General):

Insurance coverage will be canceled for nonpayment if full payment is not received by the due date. When an employee is on an approved Family Medical Leave (FMLA), the employee is responsible only for payment of the portion of premium(s) the employee normally pays. Nonpayment of premiums will result in cancellation of coverage.

Admissions and Attendance

(4.1.1) **Admission of Students:** Pinellas Preparatory Academy is a public charter school. As such, we must admit all students based on availability. Prior to enrollment, parents shall meet with the Principal to discuss the student and how they would fit within our school. The parent will receive a tour, information about the school, and share information regarding the student that would assist us in meeting the student's needs. Provided that we are able to meet the child's needs, and that we have seats available, the children will be admitted based on availability for the current year. If they are applying for the following year, they will follow the lottery procedure as described in section 4.1.2.

(4.1.2) **Lottery Procedures:** In the event that more students have enrolled to the school than there are spots available by the deadline established by the School, a lottery will be held to determine which students will be accepted. The following students will be allowed to bypass the lottery and will be automatically accepted:

- a) Students who were enrolled at Pinellas Preparatory Academy the year before.
- b) Students who have siblings enrolled at Pinellas Preparatory Academy.
- c) Students whose parents are on the Board of Directors of Pinellas Preparatory Academy.
- d) Students whose parents are staff members at Pinellas Preparatory Academy.

Once the deadline has past, all students will be assigned a number. Numbers will be randomly chosen to decide which students will be accepted into the school. All students will be ranked based on these random numbers. All students who are granted acceptance will be notified, and asked to respond whether they will be attending. If not, the next student on the list will be granted that position until the entire list has been accepted. If there are still openings, they will be awarded on a first come first serve basis.

(4.1.3) **Attendance:** Florida Statutes 1003.21 mandates that all students are required to attend school, and sets forth specific requirements for the school. Parents and students can be held legally accountable for truancy. In order to manage the attendance of our students Pinellas Preparatory Academy will follow the following procedures:

(4.1.3.1) **Parental Reporting:** Within 48 hours of a student's absence, the parent will send a note or call the school explaining the absence. If that contact does not occur, the absence will be recorded as unexcused. Under some circumstances, more than parental notification may be required.

(4.1.3.2) **Excused Absences:** The following absences will be considered excused:

- a) Student is ill. (If illness persists for three or more consecutive days, or requires numerous nonconsecutive absences, a doctor's note may be required, as requested by the Principal).
- b) Major illness in the family. (If illness persists for three or more consecutive days, or requires numerous nonconsecutive absences, a doctor's note may be required, as requested by the Principal).
- c) Death in the immediate family of the student.

- d) Religious holiday of the student's faith. This requires a parent's note *three days prior* to the absence. This category of absence is not counted when deciding who receives perfect attendance.
- e) Religious institutes, conferences, or workshops (only two days allowed if the request is signed by a parent and given to the school before the absence. These absences are considered excused absences, and will prevent a student from receiving perfect attendance.
- f) Subpoena or forced absence by any law enforcement agency. A copy of the subpoena or summons will be given to the Principal (or designee). This includes detention at a juvenile center in which the student continues his/her education.
- g) A major disaster as decided by the administration.
- h) Any absence, including those for field trips or other parental requests as judged appropriate by the Principal, provided that the request is submitted to the Principal forty-eight (48) hours in advance of the absence. A principal may waive the requirement for advance notice if extenuating circumstances exist.

(4.1.3.3) **Tardiness:** As provided by Pinellas County School Board's policies, numerous tardies can be equated to absences. If a student is excessively tardy (defined as an hour or more late to school), three (3) or such events will equate a single absence. Six (6) occurrences of tardiness less than one hour will equate to a single absence. The Principal can excuse tardiness if a written explanation is provided to the school upon the return of the student.

(4.1.3.4) **Early Removal:** Students are expected to attend the entire day of school. Students who are removed early from school are missing valuable instruction time, and this will be treated as tardiness. A student who is removed an hour or more early from school three (3) times will be equated to one (1) absence. Six (6) occurrences of being removed from school less than an hour will equate to a single absence.

(4.1.3.5) **Make Up Work:** Students who miss school for any reason (excused or not) will be expected to make up all work missed during their absence, tardiness, or early removal from school. Parents may contact the school to request work, but should provide at least a 24-hour turn around to prepare such materials.

(4.1.3.6) **Consequences:** If a student has at least five (5) unexcused absences within a thirty (30) day period, or ten (10) days out of ninety (90), the student's homeroom teacher shall report to the Principal that there may be a pattern of nonattendance existing. After this referral the Principal will consider referring the student to the Student Success Team. The team will identify potential remedies to the nonattendance behavior. The Principal will also notify the Pinellas County School District's superintendent of the pattern of nonattendance, as well as legal authorities if appropriate. If the remedies do not resolve the problem, additional consequences, such as alternative placement, changes to the learning environment, etc. may be considered. Additionally, legal authorities will be notified if the problem is not corrected.

- (4.1.4) **Late Entries:** Students who enroll into Pinellas Preparatory Academy after the start of a term will need to work with the each teacher to determine what back work, if any, needs to be completed. Some assignments or testing which are essential to the completion of the Sunshine State Standards may be required. Teachers will give students until the end of the current term to complete assignments.
- (4.1.5) **Withdrawals:** Students who choose to leave Pinellas Preparatory Academy will be assisted in their transition to their new school by having the School create a report indicating the student's performance and current grade in each class. These reports can be provided twenty-four (24) hours after the parent provides notification of the withdrawal. Pinellas Preparatory Academy reserves the right to follow up with the student's future placement to ensure compliance with compulsory attendance laws.
- (4.1.6) **Removal of Students from Class:** Pinellas Preparatory Academy believes that children learn in a variety of ways, and that our teachers provide an environment that meets the multi-intelligences needs of our students. By using this unique approach to education, we believe we reduce the number of behavioral concerns within the classroom. However, it may become necessary for a teacher to remove a child from class for behavioral concerns. Due to the small nature of our school, Teachers do not have the option of requesting permanent removal from class. If a child is removed from a class due to behavioral concerns, they will meet with the Principal to discuss the concern and ways of remedying the situation. If necessary, the Principal will meet with both the student and the teacher to identify ways to rectify the situation before the student is allowed to return to class. Parents will receive notification by either a telephone call and/or writing if a child is removed from class for behavioral concerns.
- (4.1.7) **Releasing A Student From School:** Pinellas Preparatory Academy is concerned about the safety of our students. Students will only be released to people who are their parents or legal guardians, unless we have received written permission to release the student to another adult. In the case of divorce or separation of the parents, both parents shall have full rights until legal notification is provided to the school limiting the rights of either parent.

Behavior

- (4.2.1) **Code of Student Conduct:** Unless otherwise spelled out within these policies of Pinellas Preparatory Academy, the School will adhere to the Pinellas County Schools Code of Student Conduct. Copies of the Code of Conduct will be distributed to all students at the beginning of the year.
- (4.2.2) **Referral Matrix:** Students are expected to behave in a respectful manner while at school. Pinellas Preparatory Academy uses a matrix to assist in dealing with inappropriate behaviors of students. When a student misbehaves beyond the scope a teacher's classroom management program, they will report to the Principal (or designee) to discuss the behavior. The Principal (or designee) will decide at which level the behavior shall be considered (Levels 1-4, 1 being for minor offenses, such as wearing a hat in school, and level 4 being for serious violations such as assault or

possession of illegal materials). For each level the continuum of consequences is different. Each year, the school staff shall review the matrix and make appropriate revisions. The matrix along with an explanation will be sent home at the start of each school year to obtain parent and student signatures.

- (4.2.3) **Behavioral Consequences:** The following is a list of possible consequence that may be given to students for inappropriate behavior. In certain instances, other consequences that appropriately match the misbehavior may also be used.
- a) **Warning:** If the behavior was a minor infraction, and was the first occurrence, the student may receive a warning. Warnings just let the student know that if the behavior continues there will be more significant consequences in the future. Parents will receive a “referral” form to be signed and returned, but this will not be kept in the student’s permanent file.
 - b) **Referral To Permanent File:** A referral to a permanent file will be a paper that is completed by the Principal (or designee) and the student regarding the misbehavior, which must be taken home, signed by the parent, and returned to school. The referral will be kept within the student’s permanent cum folder. If the student does not return the referral with a parent signature, they may receive detentions and the parent will be called.
 - c) **Detention:** A detention is an extension of the school day where the students will be expected to stay after school. This time will be used to complete tasks to help the school, such as cleaning the grounds. The student must report immediately after school and stay until 4:30. If the student does not report immediately following the school day, the time may not be considered as having served the detention.
 - d) **Suspension:** A suspension will be time away from school to consider misbehavior. When suspended, a student is not allowed on school property, and if they are found on school property, will be considered trespassing. While suspended, students are not allowed to participate in any school related activities. Suspensions will be considered unexcused absences, and the student will be required to make up all work from time missed. When returning, students will not be allowed to participate in extra curricular activities or field trips for thirty (30) days following the suspension.
 - e) **Parent Shadowing:** If a student is suspended more than once, the school may require that the child’s parent(s) report to school with him/her to shadow them to ensure they are behaving appropriately in school.
 - f) **Expulsion:** Under rare, serious circumstances, the School may consider expelling the student from the school. Extensive interventions with the child and the family will be attempted before considering expulsion.

Academics

- (4.3.1) **Grading Policy:** Teachers will grade assignments within a reasonable time and provide feedback to students on their progress in class. The following grade scale

will be used by Pinellas Preparatory Academy teachers:

A	90% - 100%	Superior
B	80% - 89%	Above Average
C	70% - 79%	Average
D	60% - 69%	Below Average
F	0% - 59%	Unsatisfactory
I		Incomplete

In addition to the feedback teachers provide to the students, grades are posted online for parents, and progress will be sent home regularly.

(4.3.2) **Honor Roll:** Any student who receives all As & Bs on their report card will be considered to be on the Honor Roll for Pinellas Preparatory Academy. Any student who receives all As will be added to the “Principal’s List.”

(4.3.3) **Extra Curricular:**

(4.3.3.1) **Extracurricular Activities:** Pinellas Preparatory Academy offers clubs to students as extracurricular activities. These clubs cover a variety of areas and provide extra benefits to students who attend our school. Clubs will begin about a month after the start of school. A catalog of clubs that are available will be sent out prior to when they start so children can decide which clubs they wish to be in. Students with academic or behavioral concerns can be disallowed from participating in clubs.

(4.3.3.2) **Off Campus Activities (Field Trips, Etc.):** Field trips are school-related events for which school staff arranges transportation and ensures an appropriate number of chaperones. All trips shall be subject to prudent safety precautions and conducted according to the rules established by the School. Every effort should be made to schedule field trips without interrupting other school functions.

All trips off campus must be approved by the Principal at least two weeks prior to the even occurring. Field trips should have an educational purpose to be approved. All trips must be conducted under the supervision of a certified School employee, and additional chaperones may be necessary to maintain an adult to student ratio of 10:1. If the circumstances of the field trip require more supervision, the principal may require additional chaperones.

Students cannot be excluded from a field trip based on the inability to pay the accompanying fee.

(4.3.4) **Chaperones:** Chaperones and volunteers for school events must register with the school as a volunteer. This can be done by coming to the office with photo identification and completing the required form. This must occur prior to being with students.

(4.3.5) **Homework Policy:** Homework is given to help students practice materials and learn important skills related to responsibility. Students are expected to complete their homework and hand it to the teacher on time. When assignments are handed in late

the following scale will be used:

- 1 Day Late – Graded no higher than a B
- 2 Days Late – Graded no higher than a C
- 3 Days Late – Graded no higher than a D
- 4 Days Late – Graded no higher than a 59%

Students who have an excused absence will have the number of days equal to the number of days absent to make up class and homework without penalty. Any assignment not turned into a teacher will receive a 0.

- (4.3.6) **Specialty Classes:** Any student participating in a specialty class, such as Gifted or Chorus, must maintain a grade average of at least a B in all classes. All work missed while attending specialty classes must be made up within one school day.

Miscellaneous

- (4.4.1) **Dress Code:** Pinellas Preparatory Academy adheres to the Pinellas County School District dress code, although we have amended it slightly for clarity and specification:

- a) Clothing will be neat and clean.

(4.4.2) **Cell Phone Policy:** Students of Pinellas Preparatory Academy are allowed to have cellular phones at school only if parental permission is given to have the telephone at school, and with the Principal's approval. Once approved, students may keep their phones out of sight and turned off. If a phone is seen or heard during class times, they will be taken away. When a student needs to use the telephone, they should obtain permission from a staff member prior to use.

(4.4.3) **Child Abuse, Molestation, Neglect:** Pinellas Preparatory Academy considers the welfare of students to be of paramount concern in its responsibilities. Therefore, all district employees and volunteers are directed to take whatever action may be necessary as required by Chapter 39, and 827 F.S. and all statutes and laws of the State of Florida as regards to all instances of suspected child abuse, molestation and child neglect.

Any district employee or volunteer who has reasonable cause to suspect child abuse shall immediately make an oral report to the Department of Children and Families Abuse and Neglect Hotline. A person who is required to report known or suspected child abuse, abandonment, or neglect and who knowingly and willfully fails to do so, or who knowingly and willfully prevents another person from doing so, is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. Further, a person who does make a report of suspected abuse in good faith has immunity from civil and criminal liability pursuant to § 39.203, F.S. The person making the call (if other than the building administrator) shall notify the building administrator immediately. Any person who reports should keep a record of the date and time they made the report, whom they spoke to and the general information they provided to the Abuse Hotline. The building administrator should maintain records of the report but these should not be placed in a student cum folder.

The report shall be made under the following circumstances: When there is reasonable cause to suspect that child abuse or maltreatment has been inflicted through willful or negligent acts which result in neglect, malnutrition, sexual abuse, physical injury, or mental injury. Neglect is a failure to provide sustenance, clothing, shelter or medical condition. Abuse of maltreatment may also include aiding, abetting, counseling, hiring or procuring a child to perform or participate in any

photographic motion picture, exhibition show, representation or other presentation which, in whole or in part, depicts sexual conduct, sexual excitement or masochistic abuse involving a child as defined by law.

- (4.4.4) **School Calendar:** Pinellas Preparatory Academy follows the Pinellas County School District annual school calendar. The School will, however, set its own start and stop times.
- (4.4.5) **Text Book Policy:** Students will be issued books in each of their classes, which remain the property of the school. Any lost, stolen, or damaged books are the sole responsibility of the student whom the book has been checked out to. If something occurs to this property, the incident must be reported immediately. Students not returning books or returning severely damaged books will be required to make payment for the replacement or repair costs to the school.
- (4.4.6) **Car Circle:** Most students who attend Pinellas Preparatory Academy are transported by private vehicles, which makes drop off and pick up difficult. Students are allowed to be dropped off 15 minutes prior to the start of school, and should be picked up within 15 minutes of the ending of the school day. The following rules should be followed for adults in the car circle:
- a) Drivers should go around the block on Cleveland Avenue, to Fifth Street Southwest and then onto Fourth Avenue Southwest and into the parking lot.
 - b) Drivers should not park on any street surrounding the school to pick up students. This creates an unsafe situation for students who walk home, traffic trying to follow the rules, and kids who need to cross the street from the 6th grade classrooms.
 - c) Drivers should not pass each other in the parking lot unless directed to do so by staff members.
 - d) Drivers should have a paper on the dash of the vehicle with the student's name to assist staff members in knowing who should be picked up.
 - e) Drivers should attempt to not block drive ways of the neighbors while in line.
- (4.4.7) **Computers and Internet Acceptable Use Policy:** Pinellas Preparatory Academy requires that every child, in order to gain access to computers and the Internet, must obtain parental permission as verified by the signatures on the Acceptable Use Policy form being sent home at the beginning of the school year. Students will not be permitted to use computers until that form is completed and returned.
- (4.4.8) **Dances:** Pinellas Preparatory Academy periodically sponsors dances for students. Attendance is limited to those students who are achieving academically and following the rules of conduct set forth by the School and Pinellas County School District. Dances may be held separately for different age levels. Students are required to follow the rules and regulations of Pinellas Preparatory Academy while attending any dance. Parents are encouraged to attend as chaperones.
- (4.4.9) **Games and Electronic Devices:** Toys, games, playing cards, electronic devices and other non-academic items or games are not allowed on school property without

specific permission from a staff member (for example, clubs or special events). Any items found without permission will be confiscated and returned to parents.

Records

- (4.6.1) **Security of Student Records:** All student information is considered confidential. Such information shall be available to the parent or guardian or to the student himself who has attained the age of eighteen (18) years. Professionally competent personnel shall be available for interpreting any data with the student's cumulative folder. Copies of such contents shall also be made available to parents/students at cost, within the limitations of copying facilities.

The school may, without the consent of the student or his parents, release student records contained within the cumulative folder or any supplementary classifications to school officials who have a proper educational purpose in examining such information.

-
- (5.1) **Teaching and Learning:** At Pinellas Preparatory Academy we believe that high quality teaching results in a positive learning environment for our students. We believe that an interdisciplinary approach to education is more productive for students. An approach that intertwines subject areas in a cohesive way for students allows them to build connections which helps them learn content more effectively and prepares them for their future lives. We also believe non-academic values such as creativity, leadership, and emotional growth are essential to the development of our students.

We believe teaching is only effective if students are learning. Teachers must not only teach in an integrated, multi-disciplinary way, but also regularly assess the achievement of students to ensure understanding and that effective learning is occurring. Without learning, teaching cannot be considered effective.

Pinellas Preparatory Academy encourages teachers to use authentic assessment regularly in their lesson plans. Additionally, teachers are expected to include the use of portfolios in their instruction. Formal assessments are also conducted three times a year. The Stanford-9 is administered at the start and end of the academic year to provide a baseline and a clear demonstration of the growth of each individual student. Additionally, the Florida Comprehensive Assessment Test (FCAT) is administered to assess student achievement and demonstrate the success of the school.

- (5.2) **Curriculum:** The curriculum of Pinellas Preparatory Academy will prepare students for a successful high school curriculum and a successful life. The curriculum will follow the Sunshine State Standards and will strive to exceed the standards of the Pinellas County School Board. All teachers will be expected to follow the schools curriculum guide so as to ensure all standards are met and to reduce repetition among grade levels.
- (5.3) **Teacher’s Lesson Plans:** Teachers will be expected to hand in lesson plans that correlate with both the Pinellas Preparatory Academy Curriculum Guide and the

Florida Sunshine State Standards to the Principal. Lesson plans will be reviewed to ensure compliance with school and state requirements. Plans will be kept on file for five years before being destroyed.

- (5.4) **Reporting Student Progress:** Pinellas Preparatory Academy believes parents are an integral part in their child's education. To keep parents informed, students' progress will be formally reported eight times per year. Midway through each marking period a progress report will be sent home with students. At the end of each quarter report cards will be distributed documenting student progress.

Additionally, Pinellas Preparatory Academy will utilize an online grading system. Using this system, teachers will upload their grades weekly onto the internet so that parents can stay up-to-date about the progress of their children.

Exceptional Student Education

- (5.5.1) **Acceptance of Students:** Pinellas Preparatory Academy is a public school that is required to admit all students, based on openings. The school does not however serve the broad array of all exceptional educational needs. We provide SLD services, and contract with providers for SL and OT. If additional services are required that we are unable to provide, we will consider the option of dual enrollment at another Pinellas County Public School.
- (5.5.2) **Limitation of Services:** Pinellas Preparatory Academy strives to meet the needs of all of our students. We attempt to provide individualized instruction to all of our students. The school hires an ESE teacher to assist with working with children who have special needs. Pinellas Preparatory Academy does not, however, provide the full-range of ESE services that are available from other counties school. When a child with special needs is considering enrolling at PPA, the family will be informed of the services provided by the school and our current staffing levels.
- (5.5.3) **Dual Enrollment:** If a child has special needs that are not able to be met by the staff at Pinellas Preparatory Academy, prior to enrollment, or during the staffing process for new referrals, PPA staff will work with the Pinellas County School District's area ESE staffing specialist to find a nearby school which provides the required services. Should the parents choose to do so, the child could be dual enrolled between PPA and the PCS school providing ESE services. The student would receive regular education services from PPA and would be transported by PPA to the PCS school.
- (5.6) **Section 504 Policy:** Pinellas Preparatory Academy provides a free and public education to each student who is disabled within the definition of Section 504 of the Rehabilitation Act of 1973 regardless of the nature of severity of the disability.
- (5.6.1) **When a 504 Plan will be considered:** Pinellas Preparatory Academy will consider a 504 plan for accommodations if a Student Success Team feels that the child may have a disability which would meet the criteria for such a plan. This can occur when a teacher identifies a student who is having difficulties, a parent requests a team to consider the

needs of a student, or if a medical report has been submitted identifying a student as having a disability.

- (5.6.2) **Meeting to consider 504 Plan:** If a Student Success Team recommends a student be considered for a 504 plan, the student's homeroom teacher will coordinate a meeting among the student's teachers and school specialist. The teacher will also ensure the parents have been notified and invited to the meeting. While at the meeting, the team members will consider whether the student's disabilities qualify them for accommodations under Section 504 of the Rehabilitation Act. If so, the team will identify the accommodations necessary to allow the student to be successful within the school environment. Pinellas County School Board forms will be used for both determination and the actual 504 Plan.
- (5.6.3) **Eligibility:** To determine if a child has a disability that qualifies them for a 504 Plan, the team will utilize the policies of Pinellas County School Board in regards to eligibility. (PCS Policies: 5.504(5)-(7)).
