ADDENDUM TO LEASE

1. The Association and/or its authorized agent shall have the irrevocable right to enter onto the property from time to time during reasonable hours as may be necessary for inspection, maintenance, repair or replacement of any common element accessible there from, or for making emergency repairs therein necessary to prevent damage to the common elements.
2. The Lease agrees not to use the demised premises, or keep anything in the home which will increase the insurance rates of the property or interfere with the rights of other residents of the Homeowner's Association or any other residents by unreasonable noise or otherwise; nor shall Lessee commit or permit any nuisance, immoral or illegal act in his unit, or on the common elements, or the limited common elements.
3. The Lessee covenants to abide by the Rules and Regulations of the Association and the terms and provisions of the Declaration of covenants and By-Laws of the Association, and agrees to be bound by the Rules and Regulations and Guidelines of the Association and any other rules which may become operative from time to time during the leasehold.
4. The Lessee will be required to be interviewed by a board member to have knowledge and understanding of the Covenants and Restrictions.
5. The approval of the proposed Lease Agreement issued by the Association is to be expressly conditioned upon the Lessee's observance of the provisions contained in this Addendum. Any breach of the terms hereof shall give the Association the authority to take immediate steps to terminate the Lease Agreement. The Owner/Lessor acknowledges that he remains ultimately responsible for the acts of the Lessee and Lessee's family and guest and for any cost incurred by Association, including attorney's fees in remedying violations of this Addendum and/or violations of the Association's documents.
6. In the event the Owner/Lessor becomes delinquent in the payment of any sums and assessments due to the association during the term of the Lease Agreement, upon written demand by the Association, Lessee shall pay directly to the Association rental payments due to the Owner/Lessor. The Association shall be granted the full right and authority to demand and receive the entire rent due from the Lessee and attorney's fees and costs, if any, due to the Association. The balance, if any, shall be forwarded to the Owner/Lessor at such address as the Owner/Lessor may designate in writing. At such time as the delinquency no longer exists, the Association shall cease the demand and payments shall again be made by the Lessee directly to the Owner/Lessor.
