Guardian Bucket of Safe-Tie	Guardian Temper Re- Usable Roof Anchor	Guardian Residential Guardrail System
		
<p>The Guardian Fall Protection "Bucket of Safe-Tie" is built by the roofer for the roofer and is the only "roofing kit" that incorporates an integrated shock absorber into the lifeline. With this unique feature, the user will never have to worry about adding a shock absorbing lanyard to his fall protection system.</p>	<p>"Temper Reusable Anchor" is a reusable anchor designed for temporary use on wood rooftops. This anchor meets all applicable OSHA and ANSI standards for fall arrest. This product can be installed with screws or duplex nails (depending on roof pitch). The anchor can fit up to a 12/12 roof pitch and all the necessary fasteners are included.</p>	<p>"Residential Guardrail System" is a roof bracket designed with a guardrail holder &amp; bracing support. The bracket is adjustable from 6/12 to 12/12. The lightweight system is slotted for easy removal &amp; compact for storage. Max spacing is 8' apart. When used with 2x4 &amp; 2x6 toe boards, the system complies with OSHA regulations.</p>
