

## **Sponsorship Request Form for INDIVIDUAL SPORT funding**

Thank you for your interest in the National Wheelcats, Inc. Please read, complete and return the form to the appropriate sport director by email, mail or fax. All completed request forms will be considered for sponsorship.

- All requested funds will be allotted based on availability and at the discretion of the Officers.
- **Please read the NWC general guidelines for information concerning sponsorship.**
- Team requests will take priority over Individual requests.
- NO international request will be honored for teams.
- Entry fee for each participant will be considered before funds for travel expenses, accommodations, etc.
- Applications must be submitted to the National Wheelcats organization sport director a **minimum of 30 days prior to the event.**
- Request form must be complete and turned into the appropriate sport director for consideration.
- Athletes not following the proper route for sponsorship request will not be considered.
- All applications will be voted on and are subject to consideration equally by the National Wheelcats Board according to criteria stated on this application and in sport guidelines.
- There will be a maximum limit of \$3000 for each individual participant in individual sports (rowing, racing, fishing, golf, shooting, water skiing) for each calendar year beginning in January and ending in December. Funds cannot be carried over from year to year. All sport guidelines must be met to qualify for sponsorship.
