Dear Prospective Sponsor,

Thank you for your consideration in supporting Ocean Township Little League! OTLL is a self funded organization that has been operating since 1955 and could not do it without the support of our community. OTLL is dedicated to building character, courage and loyalty in local area youth by providing a fun, safe and competitive baseball and softball program. We also have a Challenger Division for children with mental and physical disabilities which has been a great success. Our Challenger Division players have all fees waived and they participate in our program for free.

Our facility has been operational for over 50 years and we are in need of some major capital improvements. OTLL cannot survive on registration fees alone. We require a tremendous amount of support by the local community. If you are interested in having your name or business attached to a team, sign or other advertisement on our website, please reach out to me directly at otllfundraising@gmail.com.

Your generosity and support will help OTLL continue to provide a quality baseball and softball experience for our youth. In becoming a sponsor with OTLL, you will benefit by being recognized for your goodwill and support of youth baseball and softball. You can broadcast your message every day, to the hundreds of people who visit the OTLL facility.

Opening Day for OTLL will be here before we know it. I hope to see you all there and look forward to another great season.

Please call or email me if you have any questions or comments.

Thanks,

Jason Chmura
