## **MIDDLEBURY FITNESS GROUP CLASS DESCRIPTIONS**

We take great pride in our fitness instructors. All are carefully screened, trained, evaluated and updated on a regular basis. We guarantee that we will continue to employ the very best instructors in the area and continually strive for a well balanced, high quality group exercise program. Please feel free to ask your instructor about modifications if necessary (i.e. taking a high impact move to a low impact move). Always exercise at your own pace and alert the instructor of any personal limitations. Should you need to leave early, please inform the instructor prior to the start of class. If you have any questions, comments or suggestions please email our Program Director Tamara Chase at [tamara@middleburyfitness.com](mailto:tamara@middleburyfitness.com) **Please Note:** Please arrive 5 minutes prior to class start time. If you are attending a class for the first time please arrive 10 minutes early. If Middlebury schools are cancelled due to inclement weather our classes will be cancelled as well.

**BARRE-** Barre provides a unique combination of cardio, strengthening and stretching resulting in a long, lean and flexible body.

**BODY PUMP® – Les Mills:** Engineer your perfect body with LES MILLS PUMP. This barbell-based rapid weight loss and accelerated strength-training program incinerates calories to help give you the ultimate tight, toned, and lean body you want.

**BOSU STRENGTH & BALANCE:** Focuses on whole body strengthening with a strong dynamic balance component centered on the BOSU (both sides up balance trainer). You will also use weights, tubing, stability balls; improving fitness to make normal life functions and recreational pursuits a little easier. All abilities welcome.

**CARDIO DANCE:** Traditional, fun, floor aerobics. Dance to your favorite tunes and finish with some core strength moves and stretches.

**CORE & MORE:** Safely strengthen your core, abs, glutes and hips with functional exercises using bands, gliders, balls, mats and of course, your own body weight.

**SPINNING®:** An indoor cycling class on a fixed gear bike. Class is set to music and offers a smooth, safe ride bringing in components of outdoor cycling. Members of all fitness levels welcome. Heart rate monitors recommended. Come 15 minutes early for proper instruction.

**STRENGTH & STABILITY:** A basic dumbbell strength class, combined with moves on a stability ball and/or BOSU. Your core (abs and back) will get a great workout as well as your major muscle groups. This format will add variety to your routine!

**SPIN & CORE:** A hybrid class combining 35 minutes of spinning with 25 minutes of shredding core work.

**TRX®:** "Make your body your machine"! Leveraged bodyweight exercise. Power, strength, flexibility, balance & mobility. Class provides a great workout with a repetition based format for upper and lower body along with core strength moves, or a time based format followed by a cardio segment, allowing participants to pace their workout at their own rate. Free orientations are available. Private or semi-private sessions are also available. Sign up at the front desk.

**YOGA:** Class consists of a set of physical exercises (known as asanas or postures), and sequences of asanas, designed to align your skin, muscles, and bones. The postures are also designed to open the many channels of the body—especially the main channel, the spine. Incorporating strength, balance and flexibility; yoga is a great way of handling stress and revitalizing ourselves physically and mentally.

**ZUMBA®:** A high energy fitness dance class with fun, easy to learn moves. This fusion of musical rhythms & dynamic moves creates an exciting and motivating workout. From beginners to those with dance experience, this class is for everyone!

**PIYO™** Get ultra-lean and intensely defined with PiYo™, a combination of Pilates and Yoga-inspired moves, set to a faster pace for serious fat burn and fun! You'll experience hardcore results from this low-impact, high-octane workout!

**SPOTLIGHT ON DANCE:** Classes provide a fun, supportive environment to explore all that dance and performing arts can offer. A full dance curriculum for young children, teens and adults. All Styles, All Ages. For more information or to sign up call 802-865-7626 or email [info@spotlightondance.com](mailto:info@spotlightondance.com).

**TAE KWON DO:** A martial arts program to increase self-confidence and self-control while improving flexibility, strength and balance. Learn self defense and board breaking! Call Kellie at 802-377-0476.

**MIDD KID DANCE COMPETITION TEAM:** Competition Teams begin practicing in late September and continue through May. There is a Mini Team (7-9 yr olds), an Intermediate Team (10-12 yr olds) and an Advanced Team (13+). Teams will perform hip hop, lyrical, tap, jazz and ballet. Genres will be dependent on the strengths of the individual teams and each team will consist of 10-12 dancers. For more information or questions contact Chris Giorgio by email at [chrisgiorgio@comcast.net](mailto:chrisgiorgio@comcast.net)

### **SENIOR SPECIFIC CLASSES**

**LIVING STRONG in Vermont:** A 12 week osteoporosis/falls prevention program by Age Well and sponsored by Middlebury Fitness.
