To Whom It May Concern:

The National Barrel Horse Association, headquartered in Augusta, Georgia, is the largest barrel racing organization in the world. In 1992, the NBHA revolutionized the barrel racing industry by pioneering the divisional format, which allows riders of all skill levels a chance to win money and prizes in barrel racing competition. NBHA has over 23,000 members of all ages across the United States and affiliates in twelve countries: Australia, Brazil, Canada, China, France, Hungary, Italy, Mexico, Panama, Spain, Switzerland and the Netherlands.

NBHA Members compete at District, State, National and World Championship levels. Each state is divided into competition Districts where members compete for money and prizes at a local level. District 6 covers from Franklin County up to Grant County and down to Kittitas County.

At this time we are seeking donations either monetary or material for fundraiser races and/or awards at the end of the year. Material donations make great door prizes and are also a great way to have your business name advertised. Door prizes are given out randomly at every race.

A list of the different monetary donations is listed on the next page as well as various promotions for your business in exchange for your sponsorship. Our goal this year is to purchase saddles for the open divisions. Our events and publications reach a wide span of competitors from areas in Washington, Oregon, and Idaho.

Any contributions would be greatly appreciated. If you have any questions, please feel free to contact myself at (509) 539-5834. Thank you for your time.

Sincerely,

Amanda Matthiessen
