

Veterans to Infrastructure

Application Submission Deadlines

Deadlines are based on session start dates, see bottom of CPI website homepage for session dates

Early Application

Early applications are accepted and evaluated for early application, please contact CPI to discuss

- Submitted prior to one year ahead of session start date
- Reviewed by CPI as soon as possible
- Applicant notified as soon as possible
- If accepted, applicant will be required to submit an email confirming their intent to participate within 30 days of date of acceptance

Regular Application

The possibility of admission is greatest with regular application

- Submitted 180-360 days prior to session start date
- Reviewed by CPI during the month following receipt of complete application
- Applicant notified by the end of the month in which their application is reviewed
- If accepted, applicant will be required to submit an email confirming their intent to participate within 30 days of date of acceptance

Expedited Application

Applicants are accepted on space available basis

- Submitted 90-180 days prior to session start date
- Reviewed by CPI during the month following receipt of complete application
- Applicant notified by email at the end of the month in which their application is reviewed
- If accepted, applicant will be required to submit an email confirming their intent to participate within 30 days of date of acceptance

Special Circumstances Application

With occasional late cancellations, positions may open at any time so apply even if last minute

- Submitted 7-90 days prior to session start date
- Reviewed by CPI as soon as possible
- Applicant notified as soon as possible
- If accepted within 30-90 days prior to the start date, applicant will be required to submit an email within 7 days confirming their intent to participate
- If accepted to participate within 7-29 days prior to start date, applicant will be required to submit an email confirming their intent to participate within 2 days
