Note to Applicants and Parents:

The U.S. Department of State has published regulations governing the Exchange Visitor Program and specifically has outlined the information which must be obtained by Program Sponsors (in this case, People to People International - Sheboygan Chapter) from prospective host families. This application form contains questions required by those regulations. The information which must be collected on secondary school student host family applications can be found in Appendix F of 22 CFR Part 62. The income data collected will be used solely for the purpose of ensuring that the basic needs of the exchange students can be met, including three quality meals and transportation to and from school activities.

**NOTE: The previous exchange schedule has been reversed. The American student now goes to Esslingen in mid-February and stays until mid-July. The German partner will return with the American student and stay through mid-December. The entire exchange will occur in the same calendar year. Any deviation from this schedule MUST have prior approval from both the City of Esslingen and People to People-Sheboygan.**
