1/28 Polar Moose run- we had a decent showing by 109 and everyone had a good time

Rider Vest- Nothing in state or our own bylaws regarding 109 members wearing different “patches”.

The American Legion Riders “patch” is the only authorized patch to be worn at official legion meetings. We are not an MC and many of our members belong to and are involved with other charity, veterans, and rider organizations and are free to support those affiliations as they see fit. I respectfully request that when attending any event by or for the American Legion Riders post 109 or any event that you are representing us as a group that you wear our patches and act in accordance with our bylaws.
