Christmas has always been the favorite holiday of farmer Paul Stewart, and farm matriarch, Barbara Stewart. With this tough year, we figured it was time to share some of their holiday joy (believe us, they have enough to go around), and put on a light display to send off 2020. This is our first year of lights, and we are so excited to make this an annual event to grow over time.

Merry Grinchmas!

Willy and Amy Belt
809 Main Street, Delta, PA 17314

“And the Grinch, with his Grinch-feet ice cold in the snow, stood puzzling and puzzling, how could it be so? It came without ribbons. It came without tags. It came without packages, boxes or bags. And he puzzled and puzzled 'till his puzzler was sore. Then the Grinch thought of something he hadn't before. What if Christmas, he thought, doesn't come from a store. What if Christmas, perhaps, means a little bit more.” — Dr. Seuss, How the Grinch Stole Christmas!

May the true reason for the season shine through today & every day! Merry Christmas from our family to yours!
