Scholarships

1. A scholarship (or scholarships) will be presented for the purpose of attending a summer music camp. The audition recording will consist of two contrasting pieces. 2. The Barbara Clinger/Elizabeth Madden Scholarship will be awarded to a qualified graduating senior who is planning to attend college in the fall, majoring in music. The audition recording will consist of the performance of compositions from three periods of music.
3. Annual "Senior Awards" will be given to junior club members who have continued their lessons through their senior year in high school. A \$25 award will be given to those who have studied for five or more years, and a \$15 award will be given to those who have studied less than five years. The amount of time studied may be a combination of time studying under other teachers as long as the student has been with the present teacher for at least six months.
