From the Editor

Hello everyone,

We had a great meeting last month at the Peach farm so we will return this month,

Unfortunately, we lost some really special people in our club last month, they will all be missed. Lanny Milbrandt who always had his camera on, Judi Cannon, her purple car and her dog in it, Eleanor with her yellow convertible (I know she had the late model green one also but she never drove it LOL) Lillian with her blue convertible..

The Law's and Bruce's have been very close friends since I joined the club in the 90's. I will miss all these members but especially Lillian and Eleanor. Please continue to pray for the families of these wonderful people

From the Prez.....

Hey everyone, it's time for the June issue of the 'Vair Fax. Hope you are all doing well. We had a very good crowd at Dickey's peach shed for the May meeting, and everybody had such a good time, so we are going to do it again for June's meeting. I think most of us like going to new and different places, so if you have someplace in mind, be sure to bring it up. I have always said that it is not really fair for the same people to have to drive a long distance every time. The only thing to make sure of is that there is a suitable place to have a meeting. We used to have a picnic at Indian Springs State Park, maybe that is something that we can do again.

The 2023 Corvair International Convention will start in about two weeks, in Wisconsin Dells, WI. Mom and I have attended conventions in Jacksonville, Denver, Cedar Rapids, Sturbridge, Kalamazoo, Springfield, Chicago, and of course our very own, Peachtree City! So, this one will be a brand new experience for us. At last count, there will be 9 Heart of GA members going. I just hope they serve sweet tea up there!

May was a sad month for our Corvair family. We lost 4 of our very good friends: Eleanor Bruce, Judi Cannon, Lanny Milbrandt, and Lillian Law. All four were huge supporters of our hobby, and on top of that, they were darn good people. So, without trying to sound too preachy, I am going to leave you with this. Cherish your family. Cherish your loved ones. Cherish your friends. As we have seen in the past month, although these four lived a good long life, you just never know when the last time you see them, it will be the last time you see them.

Hope to see you soon,
Chuck
