## BEING PREPARED

Winter is on it's way. The leaves will change colors and the cool weather is approaching. All of creation is preparing for the winter months. The Bible teaches us that we are to be prepared for the future. As a preacher our message is Jesus is coming soon, He is coming to separate the goats from the sheep. Are you prepared? "Therefore keep watch, because you do not know on what day your Lord will come." Matthew 24:42. So I encourage you to be prepared for the coming of the Lord.

*Have you ever been sad, hurting, and lonely? You want to change your life but you don't know how, and you just need someone to guide you. In 2003 Project New Start became such a place. Project New Start was started so that men and women who are bound by bondages can find a place of refuge where they can heal mentally, physically and spiritually. Project New Start's vision is "a place of recovery" where the lives of people can be changed through the work of GOD. So many have changed their life, beat their bondages, and become saved through the ministries of Project New Start. This month Project New Start is remembering the past and planning for the future.*

Thank you

Thank you to our supporters. This has been our best year ever. Because of your giving we are able to give people hope for a better tomorrow. May God's Blessing be upon you and your family.

My husband and I both struggled with addiction for many years, but God had a different plan for us. We did not go to Project New Start together, nor did we know each other from our past, but God saw fit for our paths to cross. Coming through PNS saved our lives. We were both able to build a relationship with God and let him break the chains of addiction in our lives. At the end of my time in the program I went back to my home town, and when Wendell graduated he stayed on as staff. Some time after that our paths crossed, and we began to date and eventually got married. On September 26th, we welcomed into our family our brand new baby boy. God is giving us back all that the devil has stolen from us and so much more.

We have learned by giving your whole heart to God he will bless you in ways you could never imagine.

Proverbs 3:5 says "Trust in the Lord with all your heart and lean not on your own understanding."

Our goal at New Life Children's Home is to prepare the children so that they will be able to enjoy a satisfied future. One day our society will be in the hands of these young people and that is why we are giving them the encouragement to be world changers. 1 Thessalonians 5:11 says, "Therefore encourage one another and build each other up." We believe that we should encourage our children and build up their future. If just one child that comes to NLCH grows up and changes the world that we live in, it makes what we do worth it. Lady Bird Johnson, a former U.S. first lady once said, "Children are likely to live up to what you believe of them." We believe that with love and support all things are possible for these amazing children.

## HOUSEPARENTS NEEDED

New Life Children's Home is looking for full and part time House parents. If you're interested in making a difference in a child's life today, please give us a call at our office.

## BIRTHDAY SPONSORS

New Life Children's Home has many children and they all have birthdays coming up. We are in need of sponsors to help us celebrate their special day. If you are interested, please give us a call at the numbers above.

Thank You and God Bless.

It seems as if we just finished getting the children ready for the beginning of school, and we are already preparing for the winter. It's time to look for coats, hats, boots, and all of the other necessities that come with the chilly weather. Old man winter will be here before we know it. It's time to make sure that the kids stay warm and dry. In 2 Timothy 4:2 Jesus says, "Be prepared in season and out of season." Therefore, it's our duty to make sure that these young people are prepared for whatever season is at hand. We greatly appreciate anyone who donates. We would also like to thank all the sponsors along with everyone that helped us prepare the kid's for school. Together we are making the lives of a few children a little brighter.
