

Drum Camp: Order Form

There will be a few drums in class available to play and some of those drums will be available for purchase during the drum camp, though I highly recommend to purchase a drum before the class begins. The most common drums used in class cost from \$40-\$70, These are high quality professional-level instruments.

I perform with the exact same drums.

Below are pictures and descriptions of each drum. Ages are just a recommendation based on past experiences, of course everyone is different and may need a different drum. Prices include tax and shipping.

Send order and/or any questions about which drum is appropriate for you, to MrBen@BenjaminCroucher.com

Send in your order 1-2 weeks prior to your selected summer camp to ensure you get your drum! Some drums will be available for purchase in class.
