

USPIE Call to Action

We now have a golden opportunity to **STOP FED ED** by ending the Department of Education and returning local control and funding to the states where it belongs. Join us in contacting Congress about bills such as [H.R.899](#) and [H.R.1510](#), which is the earnest beginning of this conversation.

Please contact your US Congressional Rep.

Ask if they will support [HR899](#) & [HR1510](#)- to abolish the US Dept. of Ed.

Please contact your own Congressman (or any other you might know) by May 15, 2017 and ask:

- Will you show your support for HR899 by becoming a co-sponsor?
 - Will you advocate for a hearing on HR899?
 - Do you support HR1510?
