James Janney	540-746-1176

Contact anyone on the above list for more information on the cows or help with your absentee bids, or use Cowbuyer.com.

The number of people who deserve our thanks is too long to list here, but we would never have made our dream a reality without the help of many. The friends that we have made in this business are unbelievable and numerous. We have had a good ride. It is time to get off this roller coaster and find a new one; no regrets. We hope that the girls in the herd bring their new owners much milk, beautiful heifer calves and some showing success.

The entire herd follows an exceptional vaccination protocol. Milk cows are vaccinated with Vira-Shield 6 +L5, ScourGaurd 4KC, Endovac-Dairy and Cavalry 9. All heifers are vaccinated with Bovi-Shield Gold FP5 L5 and Cavalry 9. Calves are dehorned and given First Defense and colostrum.

Thanks again for your attendance and interest in our herd.

James and LaVuan Janney
