Recent Events

Stephanie Maker stepped in for her husband, Angelo, who made a trip back to South Sudan to visit the high school they started there. She shared all of his pictures of the trip, the school, and the graduation. A fascinating presentation!

York County Administrator Neil Morgan shared with us information about the annual budget process, spoke about some of the recent changes, and answered questions. It was a very informative evening!

Alex Humen shared with us some of his family's experiences. Born and raised in Ukraine, he moved to the US about 10 years ago. Although his wife and children are here with him, the rest of their family is still in Ukraine.
