

American Naturopathic Medical Association

We are often asked where to eat in Las Vegas! There are several options within the Westgate Resort and there are thousands of choices around the Las Vegas Strip area. Below is a list of a just few Health Food and Natural Grocery Stores, Natural Cafés and Restaurants in the area. Many offer a delivery service! Some you will need a car or taxi to get to and some are right along the Las Vegas Monorail. There is a station directly in front of the Westgate that will take you all the way down to the strip with many choices! We are not affiliated with any these restaurants and these are merely suggestions. You can also use the app YELP, it is helpful in Las Vegas.
