

July 13, 2018

Dear Community Member,

The 17th annual **Miles for Myles** event will take place on Sunday, October 21, 2018 and we need your support!

The Lunenburg PTO is excited to announce that we will be hosting the annual Miles for Myles event. With your help the PTO has given back to our school district yearly by providing funds for non-budgeted items such as technology, guest speakers and programs, materials, and supplies. Together we have also helped to defray costs for student field trips.

10% of the proceeds from Miles for Myles will be donated to support the *No Need to Speed*<sup>®</sup> campaign. The *No Need to Speed*<sup>®</sup> campaign addresses high-speed driving and distractions while operating a motor vehicle. Automobile accidents are the leading cause of death among teenagers. *No Need for Speed*<sup>®</sup> road signs are visibly located outside schools and along roadsides.

We couldn't have come this far without your generous support and participation! **Please send your tax-deductible donation today to Miles for Myles.** For additional information or volunteer opportunities, contact Sarah at [MilesforMyles@lunenburgpto.org](mailto:MilesforMyles@lunenburgpto.org) or visit our website at [www.milesformyles.com](http://www.milesformyles.com). Mark your calendar now for October 21<sup>st</sup>!

On behalf of the Lunenburg PTO, and the Lunenburg community, thank you for your support!

Sincerely,

*Sarah Call*
