Greetings!

You are warmly invited to participate in this year's Mentorship Workshop Series with the National Coalition of 100 Black Women, Inc., Anne Arundel County Chapter. The National Coalition of 100 Black Women, Inc., Anne Arundel County Chapter Inc., is a nationally affiliated advocacy group that seeks to empower Black Women and youth to meet the diverse needs of our community through programs, effective networking with community, corporate and political sectors, mentoring and scholarships.

For twenty-eight years, the National Coalition of 100 Black Women Anne Arundel County Chapter Education Committee has mentored black youth in grades 8th – 11th, provided over \$81,000.00 in scholarships to black female high school seniors in Anne Arundel County, and celebrated youth in our annual Recognition and Scholarship Breakfast.

For the first time in our chapter's history, we will deliver this year's workshops virtually. Because of the nature of the workshops, we excitedly anticipate wider participation of students from throughout Anne Arundel and Harford counties as we have chapter members residing in both counties.

Deadline for the mentorship program application is October 12, 2020. A virtual Meet and Greet Session for parents and student workshop participants will be held on Thursday, October 26, 2020 at 6:30 p.m. The workshops will run twice a month beginning in November, 2020 and end in May 2021.

This year's mentorship program workshops are listed below:

Preparing for College (Writing essays, accessing scholarships & selecting the right college)	STEM Workshops
Personal Branding	Healthy Eating
Healthy Dating/Maintaining Healthy Relationship	Stress Management
Financial Literacy	Resume Writing
