

NCRTAC Subcommittee: Definitive Care

Date: 5/21/15

Present: Jason Keffeler, Dr. Schertz, and Terry Nichols

Recorder: Terry Nichols

Discussion:

1) Spine Immobilization verses Spine Precaution

- Reviewed the present position statement.
- Requests from other services if wording from full spinal immobilization to spinal precautions can be explored/changed?
- Will encourage TMDs from both Trauma Center to discuss for committee guidance.
