To view district information, click on the folder in the upper right corner; shown below with a red circle. A drop-down menu will open. Turn layers on/off by checking the boxes.

EXAMPLE: If you are interested in viewing your assessment and other property specific information, check the "2024 Douglas County Assessment" layer. Find your property on the map and click on it to display more details such as current year assessment, irrigable acres, and allotted gpm.
