

Sandy Matto
Normont Drive
Houston, TX 77070

I have been a resident of Lakewood Forest since 2009.

I worked in the mortgage industry for 15 years and served as Vice President of a local mortgage company.

I have served on the Board for the Lakewood Forest Civic Association since 2010. I joined the Lakewood Forest Fund as a Trustee in 2015 and would like to continue serving this great community. I am currently the Community Events Coordinator and look forward to bringing events and initiating projects that assist in building a safer and stronger community.

I am interested in maintaining and beautifying Lakewood Forest by means of reasonable deed restriction enforcement and in crime prevention awareness in our beautiful, family oriented neighborhood.
