**Help us “Carry the Message” to our
Hispanic Members!**

**The Communications Committee is in desperate need of the
following English to Spanish translators:**

- **Ten written translators to collectively translate the Georgia Message and other pertinent Area information.**
- **Two oral translators for Assembly functions, Prepaid Convention, Cluster Forums, and other sundry events where translation services are requested.**

If you, or someone you know, has the necessary skills to be of service providing either written or oral Hispanic translation please complete the Translation Volunteer Form located under the Communications Committee on the [aageorgia.org](http://www.aageorgia.org) website.
