COMMUNITY TOOLKIT

This toolkit will give the community more information and help them be prepared to protect their rights.

WHAT HAPPENED?

On November 8, 2016 Donald Trump was elected president of the United States. He took office on January 20th, 2017.

WHAT DO WE KNOW?

Donald Trump based his campaign on anti-immigrant ideas and hate. We know that the community is worried. We do not know exactly what Donald Trump will do, but we want you to know we are **here with you** to fight and protect our rights. We are in this together.

WHAT TO DO NOW?

Inside the toolkit you will find more information:

- Talk to an immigration lawyer about your case
- Make a plan for how these changes may affect your family
- Learn about your rights
- Report hate crimes
- Learn what your city is doing to protect our communities
- Be aware of fraud!

WHAT HAPPENS WITH DACA?

Important tips about DACA

As of March, 2017 DACA still stands. You **should** talk to a lawyer before filling an initial application or renewal.

You should speak with a lawyer in case you qualify for any other type of immigration relief.

If you have been approved or want to apply for advance parole to travel outside the USA, we highly recommend you speak to a trusted lawyer first.

Contact a community based organization to learn more about your rights!

YOUR CHILD HAS A RIGHT TO GO TO SCHOOL

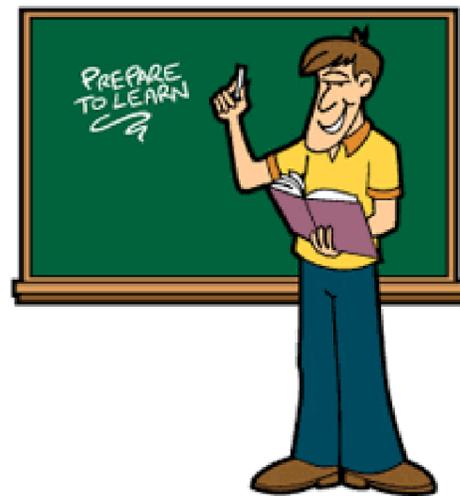

Your school cannot ask about your child's or family's immigration status

It's against the law for a school to discriminate against you or your child because of your immigration status, country of birth, religion, ethnicity, or race.

If your child needs help learning English, they have a right to a special program to get this help

You have the right to an interpreter or translator to be part of your child's education.

IMPORTANT INFORMATION ABOUT HEALTH ACCESS

You have the right to health access no matter who
is president of the United States.

Health services are safe for all New Yorkers to use. Health care providers will not track patients' immigration status.

If you are eligible, you should enroll in a public or private health program.
Call **855-355-5777** to speak with a health navigator.

You have the right to language and financial assistance in all visits to a health care provider in New York.

Community health centers and county and public hospitals are high-quality, low-cost options for everyone in New York, regardless of immigration status.

IF IMMIGRATION (ICE) COMES TO YOUR DOOR OR STOPS YOU ON THE STREET, **YOU HAVE RIGHTS!** PROTECT YOURSELF AND YOUR FAMILY.

YOU HAVE THE RIGHT TO:

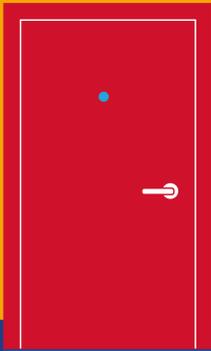

YOU SHOULD NOT

- Lie or show false identity documents
- Show foreign identity documents unless they have a judicial warrant with your name
- Flee or physically resist arrest

1

REFUSE ENTRY TO YOUR HOME

Do not open the door unless they provide a judicial warrant with your name on it, signed by a judge!

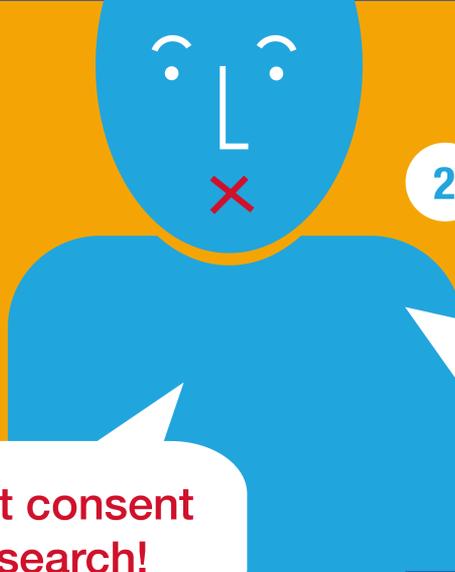

2

REMAIN SILENT

Repeat this sentence:

I wish to remain silent and speak with an attorney.

I do not consent to this search!

3

REFUSE SEARCH OF YOUR PERSON AND PROPERTY

Do not consent to a search unless they provide a judicial warrant.

4

REFUSE TO SIGN ANY DOCUMENT

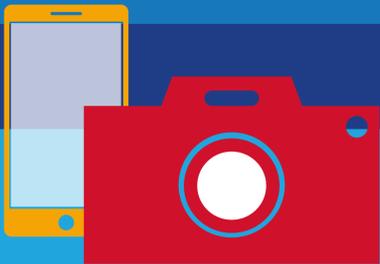

Do not sign anything without first speaking to an attorney.

5

DOCUMENT YOUR INTERACTION

You can document your or someone else's interaction with ICE with photographs or video recording.

IMPORTANT REMINDERS:

ALWAYS REPORT ARRESTS OR RAIDS

If you live in NYC, call the Immigrant Defense Project: **212-725-6422**

If you live outside of NYC, call United We Dream: **1-844-363-1423**

Make sure to report: # of officers, their badge #s, what their uniforms or vests said, and what type of car they drove (with license plate).

BE PREPARED

If you are worried about immigration, talk to a trusted lawyer to understand your unique situation and risk. Keep the lawyer's information in case of an arrest. Make a safety plan with your family, and practice what you'll say if Immigration stops you.

KNOW YOUR RIGHTS!

If Immigration (ICE) comes to your door or stops you in the street, **you have rights**. Protect yourself and your family by knowing them.

YOU HAVE THE RIGHT TO REFUSE ENTRY TO YOUR HOME

Do not open the door unless they provide a judicial warrant with your name on it, signed by a judge.

An ICE removal warrant does not allow them to enter your home without your consent. If they are already in your home, ask them to leave.

YOU HAVE THE RIGHT TO REMAIN SILENT

Even if an immigration officer stops you on the street or has a warrant, you can say:

“I want to remain silent and speak with an attorney.”

If they ignore you, keep repeating it.

YOU HAVE THE RIGHT TO DOCUMENTATION

You are free to document your or someone else’s interaction with ICE with photographs or video recording. Documenting and reporting details of what happened is very important.

YOU HAVE THE RIGHT TO REFUSE A SEARCH

Unless they provide a judicial warrant signed by a judge with your name on it that specifies where they will search, you can say:

“I do not consent to this search!”

If they search anyway, keep repeating it.

YOU HAVE THE RIGHT TO REFUSE TO SIGN ANY DOCUMENT

Do not sign anything that Immigration officials ask you to, even if they claim it will ‘help your case.’

Do not sign anything without first speaking to an attorney.

YOU SHOULD NOT

- Lie or show false identity documents
- Show foreign identity documents unless they have a judicial warrant with your name
- Flee or physically resist arrest

IMPORTANT REMINDERS

1 ALWAYS REPORT ARRESTS OR RAIDS

If you live in NYC, call the Immigrant Defense Project **212-725-6422**

If you live outside of NYC, call United We Dream: **1-844-363-1423**

You should report: # of officers, their badge #s (if you can see), what their uniforms or vests said, and what type of car they drove (with license plate).

2 BE PREPARED

If you are worried about Immigration, talk to a trusted lawyer to understand your unique situation and risk.

Keep the lawyer's information in case of an arrest. Make a safety plan with your family, and practice what you'll say if Immigration stops you.

3 LEARN MORE

Thinking about immigration raids and arrests is scary, but make sure that you know as much as possible to ensure you can best protect you and your family.

Read more on what to do if Immigration comes to your home, or stops you on the street here:

bit.ly/knowyourrights-nyic

Immigrant Defense Project has been monitoring Immigration and Customs Enforcement (ICE) arrests in the community.

KNOW YOUR RIGHTS with ICE

Am I at risk of being arrested by ICE?

ICE targets certain immigrants for deportation. Common targets include:

Legal Permanent Residents (LPRs) with prior convictions

Be aware: You may be a target even if:

- Your conviction is from years ago;
- You didn't serve time in jail;
- Your case was minor or a misdemeanor;
- You've been an LPR for a long time; and/or
- All the other members of your family are US citizens.

Undocumented people with violations or convictions:

Be aware: You may be a key target if you:

- are undocumented and have a conviction (for example: DUI "driving under the influence," drugs, domestic violence, unlawful gun possession, or child endangerment; or
- You entered the U.S. on or after January 2, 2014 and/or you have been ordered deported since January 1, 2014

Immigration and Customs Enforcement (ICE) is one of the federal government agencies responsible for deporting people. ICE is part of the U.S. Department of Homeland Security (DHS).

Are ICE agents approaching anyone they think they can deport?

ICE agents usually identify the person they want to arrest ahead of time. Then, they go to homes, courthouses, shelters and even workplaces to look for that person. Sometimes they wait on the street to make the arrest.

If I know I'm at risk, what can I do?

- **Make a plan** with your loved ones in case you are picked up by ICE!
- **Avoid contact with Immigration** – don't apply to change your immigration status or to renew your greencard and don't travel outside of the United States without talking to a lawyer first!
- **Avoid contact with the Criminal Justice System** (the police share your fingerprints with Immigration)!

IF YOU OR A LOVED ONE IS DEPORTABLE, HAVE A PLAN!

Knowing which rights you have and exercising them is complicated.

For more information on ICE community arrests, please see IDP's longer booklet at immigrantdefenseproject.org/community-trainings or contact KYR@immdefense.org

If you want to report a raid within NYC, call IDP at 212-725-6422

If you want to report a raid outside of NYC, contact United We Dream at 1-844-363-1423

What should I do if ICE agents approach me on the street or in public?

When ICE agents arrest someone in public, it typically happens quickly. They may call your name out loud and ask you to confirm your name and then detain you.

- Before you say your name or anything else, **ask, “AM I FREE TO GO?”**
 - **If they say YES:** Say, “I don’t want to answer your questions” or “I’d rather not speak with you right now.” Walk away.
 - **If they say NO:** Use your right to remain silent! Say, “I want to use my right not to answer questions” and then “I want to speak to a lawyer.”
- If ICE starts to search inside your pockets or belongings, say, **“I do not consent to a search.”**
- **DON’T LIE or show false documents. Don’t flee or resist arrest.**
- Don’t answer questions about your immigration status or where you were born. They will use any information you provide against you. Do not hand over any foreign documents such as a passport, consular IDs, or expired visas.
- If you are in Criminal Court for a court date, ask to speak to your defender before they take you away.

If officers come to my home, will I know they are from ICE?

Not always! Beware: ICE agents often pretend to be police and say they want to talk to you about identity theft or an ongoing investigation.

Can ICE agents enter my home to arrest me?

If ICE agents do not have a warrant signed by a judge, they cannot enter the home without permission from an adult. Opening the door when they knock does not give them permission to enter your home.

So, what do I do if officers are at my door?

- Find out if they are from DHS or ICE.
- Try to stay calm. Be polite. Don’t lie. Say **“I don’t want to talk to you right now.”**
- Politely ask to see a warrant signed by a judge and to slip it under the door. If they don’t have one, decline to let them in.
- If they are looking for someone else, **ask them to leave contact information.** You don’t have to tell them where to find the person and you should **not** lie.

What can I do if ICE is inside my home to make an arrest?

- Tell them if there are children or other vulnerable residents at home.
- Ask them to step outside unless they have a warrant signed by a judge.
- If they came inside without your permission, tell them **“I do not consent to you being in my home. Please leave.”**
- If they start to search rooms or items in your home, tell them **“I do not consent to your search.”**
- If ICE is arresting you, tell them if you have medical issues or need to arrange for childcare.

What are my rights if I am being arrested by ICE?

- You have the right to **remain silent.** You have the **right to speak to a lawyer.**
- **DO NOT LIE.** It can only hurt you in the future.
- You do **NOT have to share any information** about where you were born, what your immigration status is, or your criminal record. Ask to speak to a lawyer instead of answering questions.
- You do **NOT have to give them your consular documents or passport** unless they have a warrant from a judge.
- You do **not have to sign anything.**

IDP updated this information in November 2016 with the legal support of the Center for Constitutional Rights. For more info, please see IDP’s longer booklet at immigrantdefenseproject.org/community-trainings#homeraids

Si ellos siguen registrándote, continúa repitiendo.

TU TIENES EL DERECHO A DOCUMENTAR TU CONTACTO

Tu puedes documentar tu contacto, o el de alguien más con ICE usando fotos o vídeos.

Documentar y reportar los detalles de los que pasó es muy importante.

TU NO DEBERIAS

- Mentir o entregar documentos de identidad falsos
- Entregar documentos de tu país a menos que tengan un orden judicial con tu nombre
- Huir o resistirte a un arresto

¡RECORDATORIOS IMPORTANTES!

1

SIEMPRE REPORTA REDADOS O ARRESTOS

Si vives en NYC, llama a Immigrant Defense Project: **212-725-6422**

Si vives fuera de NYC, llama a United We Dream: **1-844-363-1423**

Para reportar: # de oficiales, sus #s de medalla (si lo puedes ver), que insignias tenían en sus uniformes o chalecos, y qué tipo de carro manejaban (con su placa).

2

PREPÁRATE

Si estás preocupado acerca de inmigración, habla con un abogado de confianza para discutir tu situación y riesgos. Mantén la información del abogado en caso de arrestos.

Haz un plan de emergencia con tu familia, y práctica que decir sí inmigración te detiene.

3

APRENDE MÁS

Pensar en redadas de inmigración y arrestos es muy asustadizo, pero asegúrate de estar informado lo más posible para asegurar tu protección y la de tu familia.

Lee más acerca de qué hacer si inmigración viene a tu casa, o te detén en la calle aquí:

bit.ly/knowyourrights-nyic

El Proyecto de Defensa al Inmigrante (Immigrant Defense Project — IDP) ha estado observando los arrestos por parte del ICE en la comunidad.

¡Entérate tus derechos!

¿Quién está en riesgo de ser arrestado por el ICE?

Toda persona que pueda ser deportada está en riesgo, pero también pueden ser afectados:

Residentes Permanentes Legales (o LPRs por sus siglas en inglés) quienes hayan sido condenados anteriormente.

Mucho cuidado: Tú puedes estar en riesgo aún sin importar que:

- Tu condena es de años anteriores;
- No tuviste que cumplir una sentencia en la cárcel;
- Si el caso era relacionado a un delito u ofensa menor;
- Si has tenido la Residencia Permanente Legal por mucho tiempo;
- Si los demás miembros de tu familia son ciudadanos estadounidenses

Personas indocumentadas que hayan cometido infracciones o sido condenadas.

Mucho cuidado: Tú puedes estar en riesgo especialmente si:

- Tú has sido condenado por ofensas tales como manejar ebrio (o DUI por sus siglas en inglés), drogas, violencia doméstica, portar pistolas y otras armas, o negligencia infantil, o
- Entraste a los Estados Unidos el 2 de enero de 2014, o después y/o se te ha ordenado deportado desde el 1 de enero de 2014.

El Servicio de Inmigración y Control de Aduanas (Immigration and Customs Enforcement, o "ICE") es una de las agencias federales responsables por deportar a personas en los Estados Unidos. El ICE es parte del Departamento de Seguridad Nacional de los Estados Unidos (U.S. Department of Homeland Security).

¿El ICE se está acercando a todo aquel que le parece deportable?

Los agentes del ICE normalmente identifican con anticipación a la persona que desean arrestar. Después visitan a las casas, juzgados, refugios, y hasta sitios de trabajo en busca de esta persona. A veces esperan en la calle para hacer el arresto.

Si se que estoy en riesgo de ser deportado, ¿qué puedo hacer?

- **Haz un plan** de antemano con tu familia por si te detiene ICE.
- **Evita el contacto con la Inmigración** — no apliques por un ajuste de estatus, la ciudadanía o para renovar tu tarjeta de residencia, y no viajes afuera de los Estados Unidos sin hablar con un abogado primero.
- **¡Evita el contacto con el Sistema Penal** (la policía comparte tus huellas digitales con la Inmigración)!

¿Cómo sabré si los oficiales son de inmigración?

No siempre se puede saber a primera vista. **Mucho cuidado:** Por lo regular, los agentes del ICE se presentan como "policías." A veces, actúan como si fueran policías regulares que están llevando a cabo una investigación.

Para reportar una redada de ICE que ocurren adentro de NY, comunícate con el Proyecto de Defensa al Inmigrante (IDP) al 212-725-6422.

Para reportar redadas que ocurren afuera de NY, comunícate con United We Dream (Unidos Soñamos) al 1-844-343-1623.

¡Ten cuidado! Ejercer tus derechos puede ser difícil. Para más información acerca de los arrestos comunitarios de ICE, favor de consultar nuestro panfleto aquí: <http://immigrantdefenseproject.org/community-trainings> o envíanos un correo electrónico en KYR@immdefense.org.

¿Cuales son mis derechos si el ICE me detiene en la calle o en la corte criminal?

Tienes menos protecciones legales si ICE te encuentra en la calle o en la corte que en tu casa. Las interacciones ocurren rápidamente y quizás te llamarán por nombre y pedirán que confirmes tu nombre o identidad para luego arrestarte.

- Antes de dar tu nombre o contestar a preguntas, pregunta: **“¿Soy libre de irme?”**
 - **Si dicen que sí**, entonces deberías irte y respetuosamente decir, “No quiero responder a ninguna pregunta.”
 - **Si dicen que no**, ejerce tu derecho de permanecer callado! Di, “No quiero responderle a ninguna pregunta,” y luego, “Quiero hablar con un abogado.”
- **Si te examinan los bolsillos o pertenencias, di, “No tiene mi permiso para hacer esta búsqueda.”**
- **NO MIENTAS y no le des ninguna documentación extranjera o falsa.** No te huyas. No te resistas al arresto.
- No contestes preguntas sobre tu estatus migratorio o donde naciste. Cualquier información que proporciones será usada en tu contra. No entregues ningún documento extranjero, tales como un pasaporte, identificación consular, o visas expiradas.
- Si estas en la Corte Criminal para una cita, pidele al ICE que te dejara hablar con tu abogado penal antes del arresto.

¿Pueden entrar los agentes del ICE a mi casa para arrestarme?

Si los agentes del ICE no tienen una orden firmada por un juez, no pueden entrar a la casa sin el permiso de un residente que es mayor de edad. Abrir la puerta cuando tocan no significa concederles el derecho de entrar.

Entonces, ¿qué puedo hacer si agentes del ICE están en la puerta de mi casa?

- Pregúntales si trabajan por el DHS o el ICE (Inmigración).
- Trata de mantenerte tranquilo y respetuoso. No mientas. Diles, **“No quiero hablar con ustedes ahora.”**
- Pídeles que te muestren una orden judicial y que la pasen por debajo de la puerta. Si no la tienen, diles, **“No les doy permiso de entrar.”**
- Si buscan a otra persona, pídeles que dejen su información de contacto. No tienes que decirles como localizar a la persona que desean arrestar. **No mientas.**

¿Qué puedo hacer si el ICE está en mi casa para hacer un arresto?

- Diles de inmediato si hay niños o ancianos presentes.
- Si no tienen una orden firmada por un juez, pídeles que salgan de la casa.
- Si entraron sin tu permiso, diles, **“No les doy permiso de estar en mi casa. Favor de irse.”**
- Si empiezan a tocar cosas o caminar por la casa, diles, **“No consiento a esta búsqueda.”**
- Si el ICE te arresta, diles si tienes una condición médica o si necesitas coordinar cuidado de niños.

Si el ICE me arresta en la casa, ¿cuales son mis derechos?

- Tienes el derecho de permanecer callado. Tienes el derecho de hablar con un abogado.
- **NO MIENTAS.** Sólo te puede hacer daño.
- **No tienes que dar ningún tipo de información** sobre tu lugar de nacimiento, tu estatus migratorio, o tu record criminal. De hecho, si te lo das, puede dañar tu caso.
- **No tienes que entregarle al ICE tus documentos consulares o pasaporte** a menos que tienen una orden firmada por un juez.
- **No tienes que firmar ningún documento.**
