

Glen Dow started the Masonic Motorcycle ride over 13 years ago. Glen passed away this last year. We dedicate this year's ride to our Brother Glen.

Widows Sons 13th Annual Masonic Motorcycle Ride

**Benefit for White River
Junction VA Hospital**

*In memory of
Glen Dow*

Sunday, August 7, 2022

Vermont Widows Sons Masons of Vermont will sponsor their 13th annual Veterans Motorcycle Event. Pulaski Lodge is pleased once again to have the Widows Sons Masonic Motorcycle Association Grand Chapter of Vermont join us in this worthy undertaking. The funds raised for this worthy cause have been through merchant and corporate donations as well as individual contributions received from sponsors and motorcycle enthusiasts. All donations and contributions go exclusively to the veterans serviced by the White River Junction (VT) VA Hospital. These are then distributed by the *Voluntary Services Division* to those veterans in need. Collectively over the past twelve years, more than **\$60,000.00** has been donated to these veterans. Last year's event raised over \$6,000.00 with motorcycle riders from three New England States taking part in this fundraiser. According to the VA *Voluntary Services*, the *Veterans Ride* is the largest donor of its kind that supports our veterans.

Sunday, August 7th, 2022 - Rain or Shine
Registration 9:00 - 9:45 am KSU 10:00 am
