

## **Community Friendship, Inc's Continuum of Recovery Services**

Community Friendship, Inc. (CFI) offers a comprehensive range of services providing educational support, training, skills building, preparation for work, career development and full integration in the community. We also link consumers to other needed resources. We take a holistic approach, working with the whole person, mind, body, and spirit, not just their illness. At CFI, we believe that all individuals have the ability to grow and reach their full potential.

### **Our continuum of services include:**

**Day Services:** We help consumers to develop vocational, social and living skills.

**Work Opportunities:** We assist consumers in choosing, getting and keeping real jobs in the community.

**Peer Support with Certified Peer Specialists:** Our certified Peer Specialists lend unique insight into mental illness and provide support for skills needed to live more independently.

**Case Management:** We help consumers negotiate and obtain needed community services to ensure successful community living.

**Residential Services:** We offer a wide array of supported housing programs for individuals in the community including group homes, supervised apartments, and independent apartments as well as specialized housing programs for individuals who have mental illnesses and have been homeless.

**Outreach Services:** We provide outreach services to homeless men and women with mental illnesses.

**Vocational Rehabilitation Services:** In collaboration with the Vocational Rehabilitation Agency, CFI provides vocational rehabilitation including work evaluations, in-house and community work adjustment, job readiness, job coaching, and supported employment.

**Training:** We offer a variety of training to consumers, families, and staff to include a Relapse Prevention Series, and other recovery education to the community and other agencies.
