LAMBDA PI ALPHA SORORITY
BETA MU CHAPTER
CHICAGO, ILLINOIS

Dear Soror,

Lambda Pi Alpha is an African American nursing sorority that was founded in 1930 at Meharry Medical College School of Nursing, Nashville, Tennessee. The Beta Mu Chapter of Lambda Pi Alpha was organized in 1934 at Provident Hospital, Chicago, Illinois.

The sorority's primary goal is to raise the professional standards of nursing. We are accomplishing this by establishing scholarships for nursing students, stimulating registered nurses to continue their education, and participating in community activities.

The sorority would like to inform you of our desire to award a **\$1,500.00 scholarship** to a deserving fellow Soror who is in need of financial assistance.

In order to qualify for the scholarship, the soror must:

- 1). Show outstanding academic performance (A GPA of at least a B average)
- 2). Submit a written statement of reason or desire to receive this financial scholarship.
- 3). Obtain three (3) letters of recommendation, one of which must be from a faculty member.
- 4). Be a graduate student in an accredited university.

Completed application forms, letters of recommendation, copies of transcripts of work completed toward the current program, and inquires should be mailed to:

Leretha R. Thomas
3912 West 76th Place
Chicago, IL. 60652

APPLICATION DEADLINE DATE: April of the current year
