6. Subject to Section 7 below and with advance written approval from the Association, an owner may install shingles ("Alternative Shingles") which are designed primarily to:

- a. provide heating or cooling efficiencies greater than traditional composition shingles; or
 - b. provide solar energy capture capabilities; or

 - c. match the aesthetics of properties surrounding the owner's property.

The guidelines are effective upon adoption and recordation in the Public Records of Fort Bend County, Texas and supersede any guidelines for roofing materials which may have previously been in effect. Except as affected by Section 202.011 and/or by these guidelines, all other provisions contained in the Declarations or any other dedicatory instruments of the Association shall remain in full force and effect.
