

Planning Board Meeting
January 10, 2018

Members present: Peter Kassen, John Twomey, Charles Fletcher, Bernice Nadler, Greg McDaniel, Bob Delio. Public present: Bridget McKeen, Kate Campbell, Susan Marshall, Bonnie Hrichak.

Meeting commenced at 7:05 P.M.

Bridget McKeen video taped the meeting.

Peter Kassen reviewed conversations that he has been having with the Code Enforcement Officer (C.E.O.).

In 1980 the town initially approved an article to prohibit roadside spraying within Town Road Right of Ways. It was amended to include Telephone and Electric Company right-of-ways. It has not been strictly enforced and the Select Board is exploring how to do so effectively and through affordable means . At this point the town does not have an agreement with the utility companies. Peter will consult with Select Board member Cathy Roberts and the Maine Municipal Association (M.M.A.) While the Planning Board doesn't have the power to enforce this article, they enthusiastically support its intent.

A motion to approve the minutes from our previous meeting on April 12, 2017 was seconded and passed unanimously.

Meeting adjourned at 7:50

Respectfully submitted by,

Bernice Nadler
