

NDIS Support Coordination

JD Co-Ordination & Support Services is a registered provider of Support Coordination under the NDIS.

When you attend your NDIS Planning Meeting, you can request that Support Coordination be included in your Plan. This is a funded support that does not affect your other NDIS Funding. If your Support Coordination request is approved, you will be able to nominate JD Co-Ordination & Support Services for Support Coordination.

How can we help?

JD Co-Ordination & Support Services is dedicated to building the capacity of the people we support and promoting their independence where possible.

As your Support Coordinator, JD Co-Ordination & Support Services can:

- ◆ Assist you to access and navigate the MyPlace Portal, including setting up service bookings and understanding your funding
- ◆ Offer you a range of options for Service Providers and assist you to choose a quality provider for your supports
- ◆ Assist with referrals for therapeutic services
- ◆ Contact Service Providers to negotiate services and set up Service Agreements with them
- ◆ Break down the funding in your plan to assist you with ensuring the funding lasts the life of the plan
- ◆ Assist with Plan reviews and goals going into your next Plan
- ◆ Regularly report to NDIA on the progress of your goals and the supports that have been implemented
- ◆ Provide you with documents and assistance with how to self-manage your plan
