Tuition & Hour Clarifications

Monthly Tuition is due on the Friday before your scheduled due date of the month.

Example: If your due date is the 1st and it falls on Wednesday, your tuition will be due the Friday before.

Bi-Monthly Tuition is due on the Friday before your scheduled due date.

Example: If your due date is the 1st and it falls on Wednesday, your tuition will be due the Friday before.

Tuition is calculated by dividing the monthly rate by 2 and then a \$5.00 fee will be added to each of the 2 payments for bi-monthly processing.

Weekly Tuition is due on the last day of attendance the week before care is given.

Example: If your child attends Monday & Thursday, tuition for the next week is due by Thursday.

Tuition is calculated by dividing the monthly rate by 4 and then a \$15.00 fee will be added to each of the 4 payments for weekly processing.

Hourly rate is paid by hour and rounded to the next hour.

Example: 7:00am drop off and 10:25am pick up, you will be paying for 4 hours.

Full day rate is for less than 8 hours.

Example: 7:00am drop off must be picked up on or before 3:59pm.

Extended full day rate is for 9 hours to 11 hours.

Example: 7:00am drop off and 4:00pm or later pickup.

After hours fee is \$5.00 per minute after 6:00pm
