Fees / Costs

If I can assist you or your family, friends and clients, please feel free to call upon me for a no-charge initial telephone consultation. For services in areas other than those which I handle, I will gladly take the time to refer you to individuals and businesses which can assist your needs. Services are handled in a cost effective manner based on time, costs, effort and services rendered at reasonable and affordable rates with installment plans available; or, based on a standard percentage of the gross estate plus costs. Fees for Veterans are offered at a discounted rate.
