

How to shop Buffalo Creek Spices without using PayPal or setting up a PayPal account.

We want your shopping experience with us to be safe and secure. We use PayPal to process our online orders but this doesn't mean our customers have to use PayPal or set up a PayPal account. Please follow the steps below to place an order using a debit or credit card without using PayPal or setting up a PayPal account:

1. After you place the items in your shopping cart, press "checkout" located above the yellow PayPal box.
2. Enter your billing information, then press "continue" located in the lower left corner of page.
3. On the shipping page, press "continue" located in the lower left corner of page.
4. At the bottom of the payment page in the lower right corner, press "place order".
5. At the bottom of PayPal page, press the gray "pay with Debit or Credit Card" you will then be directed to the PayPal Guest Checkout page.
6. Enter your card information then press blue "pay now".
7. Follow the instructions to complete placing your order.

Thank you for choosing Buffalo Creek Spices. We truly appreciate your business!
