STRUCTURAL ENGINEERS ASSOCIATION OF WESTERN PENNSYLVANIA

The parent organization, the Structural Engineers of Pennsylvania (SEAOP), hosts an annual 1-day conference at Villanova University with approximately a dozen presentations. These presentations offer Continuing Educational Units (CEU's) that assist the statewide membership in maintaining the professional requirements of licensure in Pennsylvania and other states. On a scale of 1 to 5, with 1 being never likely to 5 being extremely likely, rate each of the statements:

1. I would attend the conference in Villanova. _____
2. If available, I would attend a local event by SEAOWP to participate in the various conference presentations through a televised link to the conference. _____
3. If available, I would log into a conference site from my personal computer to attend a presentation during the conference. _____
4. If the Conference were held in Harrisburg rather than at Villanova, I would attend the conference. _____
5. How interested would you be to participate in any of the Parent Organization's (SEAOP's) committees? _____
