

Well, Labor Day 2015 is history and we're coming up on the Fall season. The Packers beat the Bears in their season opener, and the holidays will be here before you know it.

Sixteen of us gathered today to enjoy good fellowship and a comfort food lunch of grilled cheese sandwiches, tomato soup, and a mixed greens salad with champagne vinaigrette.

Our meeting was held in the south end of the Black & Tan Dining Room, as opposed to our normal Terrace Room location, so Boyd had to make do with an electronic keyboard in place of the Baby Grand; but, as always, he did wonderfully. Boyd's selections were: *Boost Kiwanis*, *Smile – Sing a Song*, and of course, *the Packer Fight Song*. I have a feeling that we will be singing that Fight Song quite a bit this year.

### Happy Dollars

Rick had a great time at the Badger game. The only trouble was, every time the band played *On Wisconsin*, and they did quite a bit – 68 points worth, much to the perplexity of those around him, Rick found himself singing *Boost Kiwanis*.

Joe and his children were participating in a Battle Addiction Walk in Oshkosh, and Joe, fulfilling his fatherly duties, told his kids, "If you're going to walk, walk fast. It's good for you." Unbeknownst to Joe and his family, the walk was in fact a fast-walking competition. Joe later found out that due to his direction to his children, the kids took 3<sup>rd</sup> place!

Emmet had a good time at a Sacred Heart Seminary faculty reunion, where he reminisced about his days teaching algebra there.

Despite the diligent efforts of Dave and Rick, the stars just would not come into alignment regarding getting our new UWGB coach to speak at today's meeting. However, they vow to continue trying.
