Message from the Commodore

As another ice season comes to a close, I want to thank all the officers for their continued support. Special thanks go to John Ziermann for his timely "Ice Reports" and to Mike Acebo for his terrific News Letters. Thanks also to Joe Natale for keeping the Web Site up to date. And what would we do without Rich Cruet's Wednesday night workshops!

The annual Awards dinner will be held at the Oar Restaurant in Patchogue on Sunday April 14 from 5 to 8 pm. Cost is \$35 per (please bring exact change). It will be a great time to hear about the various sailing adventures that members had at neighboring states (CT, MA, ME, PA, VT & MI). Even though there was little local ice, some trophies are scheduled to be handed out at the dinner. Please let

John(jzierman@suffolk.lib.ny.us) know ASAP if you plan to attend or not.

Hope you all have a safe and enjoyable sailing summer.

Hope to see you all at the Dinner.

Thanks,
Ralph
