

## ALUMNI FIELD

Recently a group of alumni convened to explore the idea of adding field turf to our stadium. There was enough initial interest, that this small group of alumnus, have now established a field turf advisory team. The team, consisting of alumni and booster club representatives, is making great progress in organizing a giving campaign. The goal of the campaign is to raise \$850,000. If this goal is achieved, Bulldogs will play on turf for the 2020 fall sports season on Alumni Field inside Cedarburg Stadium. For this goal to become a reality, we need your assistance in soliciting interest to support this campaign through a monetary donation.

The formula for a successful capital campaign includes contributions from local businesses, families of future, current and past users and other philanthropic individuals. Cedarburg has never shied away from a challenge. Our great success is due to the tremendous support from our community. To bring this goal to fruition, it will truly require a team effort. By creating the conditions for contagious contributions to be made, raising \$850,000 by the fall of 2020 is an attainable goal. Please consider making a pledge to the campaign before the fall of 2020. We are relying on your generosity to bring turf to Alumni Field. The turf will bring the stadium to life with so many more activities. You can make your contributions at [www.chsabc.com](http://www.chsabc.com). Currently the turf initiative has raised \$530,000.

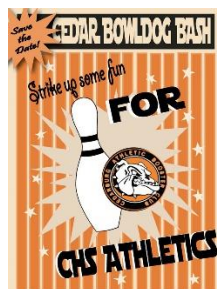

Turf Advisory Team,

Chris Haasch, Deb Pokel, Kevin Nelson, Rick Buser, Tracy Tenpenny, Caryn Esten, Randy Groth

## CEDAR BOWLD OG BASH

The CABC board will be holding an evening event to raise money for CHS Athletics. The Cedar Bowldog Bash will be held **April 26, 2019 from 6:30pm to 11:00pm at the Cedars III**. This event will include bowling, an auction, games and raffles. Link to tickets and auction items:

## BOYS' BASKETBALL

---

Our young boy's basketball team had a year of growth as a team posting 3-17 North Shore conference and 3-21 overall records. Although the win-loss column was not as the team hoped, they were involved in a large number of very competitive games. The team had a lone All-Conference honoree, with sophomore Drew Biber taking home 2nd Team honors. The team will return the vast majority of its players next year and will look to rebound from the tough season quickly.

## GIRLS' BASKETBALL

---

The girls' basketball team had a back and forth season resulting in 9-10 North Shore conference and 13-12 overall records. Much like the boys' team, the girls were on the wrong end of a few highly competitive conference matchups that could have altered the season's trajectory. The team had two representatives on the All-Conference squad, with sophomore Khendel Rolison taking 3rd Team honors and senior Abby Belschner earning an Honorable Mention. Graduating a number of contributors from this year's team, the girls will look for strong play from a young team next season.

## BOYS' HOCKEY

Boys' hockey had a tough conference slate this year, going 0-6 in conference play in the North Shore. They did however have three team members earn All-Conference designations, with skaters Cade Knoeppel (Forward) and Justin Benning (Defenseman) receiving 2nd Team honors and goalie Ben Kowalewski receiving an Honorable mention. The boys will look to build from this season's learning experiences and come back strong next winter.

## GIRL'S HOCKEY

Girls' hockey got off to a quality start in non-conference play before entering the tough Eastern Shores conference schedule finishing the year with 1-7 conference and 9-15 overall records. Balanced team play contributed to much of the girls' success in the season and also earned the team a representative on the All-Conference teams. Junior forward Anna Gontarski earned Honorable Mention status. With only four graduating seniors, the team will look to return quality experience to the ice next season.

## BOYS' SWIM AND DIVE

A solid performance from boys' swim and dive earned them a 6th place finish in the North Shores conference. A number of the boys had exceptional individual seasons, earning them the honor of qualifying for the state meet. Evan Zimdars, Jude Brobst, Ben Keller, Cody Asplin, Dyllyan Muhonen, Ryan Hoffman, Henry Martin, and Garrett Gonwa all had the opportunity to showcase their skills at the state level with Gonwa placing second for his diving. Gonwa also was named the Conference Diver of the Year for his standout performances.

# CEDARBURG HIGH SCHOOL ATHLETICS

## WRESTLING

The wrestling team had a tough season in terms of the team conference standings, finishing 8th with 80 team points. They did have some exceptional individual performances however, with Bryce Jankowski and Jacob Steidinger winning their weight class at the conference meet and Max Grudzinski finishing as the runner-up. Jankowski and Grudzinski also qualified for the state meet, with Jankowski earning a 4th place finish in the 120 lb. weight class. Bryce was also named an All-State team member.

## GYMNASTICS

An exceptionally tight conference standings for the season saw Cedarburg take 5th in the North Shores. Led by All-State honorees Mia Ketelhon (floor) and Lauralei Zautner (vault), the team earned a quality overall score of 134.575 at the conference meet. Zautner was the lone individual qualifier for the state meet. Our gymnasts look forward to continuing the strong showing displayed this season.

# CEDARBURG HIGH SCHOOL ATHLETICS

## SKI

The Midwest High School Ski Conference proved to be stiff competition for our skiers this season with the boys and girls finishing 20 th and 13 th , respectively. The team did see an exceptional individual performance from Anna Meyer, who qualified for the state competition. The team is eager to return to the slopes next season and build on this year's efforts!

## DANCE

Our ladies danced their way to a lot of success as a team this season with excellent choreography and collaboration all around. While they did not place at the state competitions, they put on several excellent performances throughout the year. Individually, Alyssa Williams was designated as an All-State performer.
