Dear Folks,

Just a note during office hours
to register a complaint.

We received a letter yesterday from
Kansas City - addressed to Major + Mrs. L. G.
Taylor. Well, we can't have any more of
that sort of stuff. Take a look at the
extract I'm enclosing.

It's dated the 15th, but I didn't
get the orders till yesterday. Had heard
the rumor, of course, but figured I'd
better wait for official notification before
I changed the color of my leaves or
wrote to you about it. Golly, a false
alarm would be terrible, wouldn't it?

Jean and I have celebrated, but
she's mad at me because I went out
again and celebrated without her. Wayne
says he's going to be a general now so he
can stay the boss.

Love to all

Bub

(Lt. Col. L. G. Taylor)

P.S. - Watch how you
address letters
after this.
