January 6, 2012

To the Sherburn and Welcome City Councils,

The department logged 94 calls for service in the month of December. This brought the total for the year to 1,313. This was less than 2010, but significantly higher than 2009. December of 2010 was very busy due to a large number of weather related factors. Until the month of December, we were on pace to have our busiest year on record.

We have had no issues so far because of poor weather conditions. This has been an extremely mild winter, with only 1 storm that caused any sort of driving issues. Since we are into January, let's hope that this weather can hold out for another month or so!

We have had some meetings regarding the Armor radio system. This should be implemented sometime during 2012. The printers for the cars have been delivered and we should be going on-line with e-citation in the next month or two. This project was paid for through a grant that our consortium applied for, so there is no cost to the department for this new technology.

Hope everyone enjoys the rest of this "winter".

Sincerely,

A handwritten signature in black ink, appearing to read "B. L. Hughes".
