

ADVANCED SWAT TACTICS

Dates TBD

Fort Lauderdale, Florida

\$500/student*

This five-day program is specifically tailored to enhance the SWAT/SRT operator's ability to perform fundamental skill sets in a complex tactical environment. From advanced weapons manipulations to deliberate search techniques, this curriculum will develop individual critical thinking and problem-solving ability.

*Discounted rate for groups of 4 or more.
Students must bring ammo and gear.
Required munitions and equipment will
be sent upon registration.

As the curriculum is rooted in team-based tactics, we highly recommend that at least two team representatives enroll in the program together.
