

St. Pius Tenth Catholic Church

The Church community of St. Pius Tenth hears the call to a deep, personal relationship with God in Jesus Christ. We commit ourselves to living and sharing our Catholic faith guided by the Holy Spirit and expressed in love.

LISTEN

“If your brother sins against you, go and tell him his fault between you and him alone. If he listens to you, you have won over your brother.”

Everyday Stewardship: The Blessing of the Community

Many of us have been fortunate to be able to remain in our parish even as our life has encountered new chapters and callings. We can be so grateful to God that we have been able to grow, be nourished, and find companionship in a parish for a long time.

It is a natural tendency for human beings to desire belonging to something bigger than themselves. Not everyone is fortunate enough to find the community, big or small, that fulfills that need. Unfortunately, that means that many communities suffer from not having the benefit of the gifts, skills, and talents that any member can offer. Communities are in many ways living organisms that move and breathe based upon the individuals who form that body. A community is truly the sum of its parts.

Your parish community reflects you and everyone else in that community. The more each member gives to the community, the stronger that community finds itself. If you hold back, your community suffers, and you gain little. We know firsthand what being a part of a community can mean to a person. We might be no one at all – and you would not be reading this – if it weren't for the life we have had in our parish community.

Budget and weekly collections:

Please help the money counters by writing a separate check for Renovation separate from weekly or monthly donations. These funds go into a separate account. Thank you!

MSP (Ministry Scheduler Pro) emails went out this past week. Please let Laura know if you are willing to continue to serve, if you need to continue to be set to inactive, have any 'can't serve' date, or other changes.

The fundamental posture at the **Eucharistic Prayer** while Mass is in the Parish Hall is standing. Many parts of the world stand because that follows the early church's custom. A profound bow should be made when the priest genuflects after the consecration. **-Fr. Tom**

THANK YOU to all parish members for your prayers, generosity and turning in your pledge cards! *If you have not turned in a pledge card, please turn them in as soon as possible so we can meet our goal!* If you cannot contribute financially, we ask that you please still return your pledge card and pray for the parish renovation.

The **Good Friday Holy Land** collection was not able to be taken up this year because of the pandemic. This collection goes toward the support of the Christians living in the Holy Land and for the care of the holy places of Christianity located there. Pope Francis has given permission for the collection to occur at Masses the weekend of **September 12-13, 2020**. This date was chosen because it is the Sunday closest to the Feast of the Exaltation of the Cross which is celebrated with particular solemnity in Jerusalem. There are envelopes marked for this special collection at the main doors next to the bulletins. If you would like tax credit for donations, please put your name on the envelope when you turn it in. Thank you for your generosity!

Condolences to **Gail Hoesli, Ted and Maria Hoesli**, as they grieve the recent death of Jerome "Jerry" Hoesli. May he rest in peace.

A Divine Message of Hope in the Midst of a Pandemic: The Book of Revelation

The Book of Revelation is the most misunderstood book in the Bible. Fr. Shonis will guide us in reading the Book of Revelation both as a warning and a source of hope for Christians undergoing a crises. This book carries a tremendous message for our time – you won't want to miss it!

Middle School Youth Ministry will meet on Wednesday nights from 6:00-7:30pm and High School Youth Ministry will meet on Thursday Nights from 6:00-7:30pm. Along with this we will still be starting new small groups as the year goes on. If your child is not currently in a small group, expect a call from me in the next 3 weeks. I will be working on getting new groups started once the craziness of school dies down.

CONFIRMATION

Catechists will serve as facilitators to assist families here & at home.

\$10,000 for a \$5 TICKET - FINAL CALL

Please take a flyer from Church or pick up one at the office. Take a **chance for \$5 to win \$10,000!** This raffle is totally online or by mail with all **proceeds going to care for many elderly and sick Sisters at Mount Saint Joseph**. They love the Church and gave their lives in the ministry of teaching and pastoral work. The Ursulines have a 65+ year relationship with SPX and I am privileged to be in that line of those who served here. Thank you for your support.

"FAITH COMES BY HEARING"

THE best way to welcome new people to a relationship to Christ is to **INVITE** someone you know. When you invite, you also accompany that person to the event, *listen* to their story and allow the HOLY SPIRIT to do the rest. The first **RCIA** stage is called **INQUIRY**. Anyone you know searching for deeper meaning to life?

23rd SUNDAY IN ORDINARY TIME

"Where two or three are gathered together in my name, there am I in the midst of them."

Matthew 18:20

Music Ministry

fzelinka@stpiustenthparish.org

Goodness, truth, and beauty are referred to as the three transcendentals. These are the things, beyond the purely physical world that human beings recognize and seek out that separate us from all other creatures on earth. Beauty, often called the arts, is the most 'evangelistic' of these three. Often in life we are first drawn to something beautiful before we have determined if it is both true and good. If we discover that it is indeed true and good, the beauty is enriched all the more. If we discover neither truth nor goodness, the beauty that first captured our attention withers and fades; but in each case, beauty remains that first invitation for most people into the life of Faith. That is why it is so important to have beauty in our worship space, our liturgies, our music, and everything that we do as the Church. The beauty of God draws us in and His truth and goodness change our hearts.

Living our Faith Every Single Day

In January our Diocese will be starting a new way of studying our faith through a program called **ALPHA**. If you are not aware of what this is, it is really quite simple. **ALPHA** is a tool used to start conversation about having and growing a relationship with Jesus Christ. Our Youth Ministry Program has been using this since June 15th with remarkable success. During the summer (even with Covid happening) we have had 30+ youth meeting in 7 different small groups having conversation about their faith— 30+ youth every two weeks for the past 3 months!! These conversations have being the most beautiful and wonderful thing I have been a part of since I started at SPX. There have been conversations from as silly as "If you had 24 hours with unlimited money and resources, what would you do?" to as serious as

"Where is a place that you can talk about faith?" We have discussed the morality of birth control and current events that are happening in this world when it comes to the Black Lives Matter movement. We, as a parish staff, are really hoping that you would pray about being involved in one of these small groups come January as it will give you an opportunity to really reflect and discuss what it means to have a personal relationship with Christ and how to live it out in our day to day lives. The amount of growth I have seen in these youth over that past 3 months has been astronomical as they are given a safe place to think critically while also discuss tough issues without judgment on their point of view. My prayer is that you prayerfully consider joining a small group when the time comes.

~Matt Knight, Youth Minister
