ANDOVER GLEN HOMEOWNERS ASSOCIATION NEWSLETTER - WWW.ANDOVERGLEN.ORG

IN THIS ISSUE

From the President

Hang in there, spring is just around the corner!

As you plan for improvements to your home this year (painting, roofing, fencing and landscaping are the most common projects), please remember to download the "Architectural Change Request Form" from our website and submit it as early as possible for us to review.

As a reminder, the normal turnaround time is two weeks, even though we normally provide a quicker response.

We are all looking forward to great weather and the outdoor activities the board is planning.

Please try to attend these events and get a chance to make new friends.

Bill Schwab

Past Events

The "After the First of the Year" party was a huge success!

This was the first of its kind and judging from the comments it won't be the last.

Everyone enjoyed the food and activities provided (card tables & roulette), and as it is often the case, catching up with neighbors and meeting new ones was the best part of the party.

Thank you to Cindy Wagner and V-Esprit for providing such a beautiful facility.

Thank you also to Debra Jones and Kathy Johnson for their hard work planning a very successful party.

And thanks to all of you who participated.

From the President

Brief comments and/or reminders from Bill Schwab, President of the association.

Upcoming Events

Get hopping for the annual Easter egg hunt, coming Saturday, April 20. The event will begin at 10:00 AM at the Andover Glen Park (by the gazebo).

There will be a Piñata for the kids and plenty of eggs to be found.

Please RSVP to Kathy Johnson @ 303-693-2264 so she can plan accordingly. This is very important, so please call well in advance of the event.

Friendly Reminders

The trash pick-up day is on Thursdays unless there is a holiday, in which case service will run one day behind throughout the holiday week, beginning with services scheduled for the holiday. The holiday schedule applies to recycling as well.

Recycling is every other Thursday; in March, recycling days are the 14th & 28th. It might be a good idea to mark your calendars for every other week throughout the year.

The following is a list of **non-recyclable** materials and should not end-up in your recycling containers: Styrofoam, plastic bags, wrappers, food, electronics, construction & yard waste, diapers, soiled paper, medical items, tools & toys.

What can be recycled: cardboard, metal cans, paper, plastic containers.

However, remember to empty, clean and dry what you recycle.

keep all recyclables free of food and liquid. Keep it Loose, meaning never put recyclables in bags or containers other than the recyclable bin from Republic Services.

For a complete list of do's and don'ts, go to: www.republicservices.com

Please don't forget to bring your trash and recycling containers in (out of sight from the street) after service the same day.

Snow Removal

This year we have had more snow stick around longer than normal, with a lot of melting and freezing, leading to very treacherous walking conditions in the neighborhood.

Please be considerate of your neighbors (not to mention the liability issue), and shovel the snow from your sidewalks within 24 hours after the end of a snowfall.

Be neighborly and if you have a snowblower, running it an extra few feet down the sidewalk will be remembered by those who live nearby.

No one wants to break a bone or your wallet by slipping & falling on your property. There are fines & service charges associated with non-compliance by the city of Aurora.

If any portion of your street remains icy or ice packed, you can call the Streets Division of the City of Aurora @ 303-326-8200. In addition, and for safety, remember to keep your garage doors closed, and no puffing!

Kid Entrepreneurs

Andover Glen has a couple of kids looking for work. If you know any others, contact a board member and we will add their information to the next newsletter.

“My name is Brooke Krall and I am 10 years old. I live in Andover Glen and I am looking for summer work. I can help with weed pulling, flower watering, and pet sitting. I charge \$8 an hour. Please call my Dad (Curt Krall) at 720-810-3907 to schedule. Thank you.”

Ben Krall, 15 years old, is available again this summer for weekly lawn mowing and trimming. He can also help with other yard work and general spring clean-up. Ben charges \$10 an hour and can be contacted at 720-899-1546, or by calling his Dad, Curt at 720-810-3907.
