Last Meeting minutes were reviewed with no changes. Motion: Marx, 2nd: Lemke; Unanimous approval

Treasurer's Report -

Checking balance of \$34,526.49; C/D Balance of \$15,494.31. One small deposit was made with other small expenses. Minimal activity as season has been completed.

Grill Haus Balance was \$11,495. The club did transfer \$15,737.00 from the Grill Haus account to the A/C's operating account in order to reimburse the club for the initial cost of the steel building which the club fronted.

Treasurer's report accepted.

Motion: Ott, 2nd: Monroe - Unanimous Approval

Fall League Meetings

Softball - There were some rule amendments. B League is looking at the possibility of using a smaller softball to help with grip and control.

Baseball – Eastshore meetings forthcoming in September. No major changes expected. Calumet North Meeting not scheduled yet. Some members in the North League disgruntled with bat rules, but no change expected. A small discussion was had about continuing to participate in two leagues and whether that was worth it as a club. No major decisions made at this time.

Men's Team - The men's team will be looking for a new manager as Jacob Bennin is retiring. Discussion was had about the possibility of no longer having a men's team should none of the players step up to lead the team.

Kicks For Hope

Kicks For Hope has inquired about the possibility of using Nennig Park for their annual kickball fundraiser. The field usage would make more sense given field dimensions as well as the possibility of playing multiple games at once. A lengthy discussion was had about guidelines/proposals/eligibility moving forward that the club will need to discuss at length. The club has requested that a representative from New Hope Center meet with the club to detail exactly what part of the facilities they would like to use and who will handle what. More to come at future meetings.

2021 Bust Up Party

34 people were able to attend the bust-up party last month! Thank you to everyone who helped put that on and brought food!

2022 Uniforms

A sample uniform was given to New Hope Center to see what quality they could replicate for jerseys going forward. Club will receive a sample at a future meeting to evaluate.

Fall Work Day

Fall work day scheduled for September 11th. Nets/Cages/Concession Stand winterizing among the projects to be completed. Please attend if you are able!

CAC By-Law Update

CAC will work on updating the bylaws as well as the possibility of producing a coaches handbook. The club is hoping to make the transition for adults looking to coach more seamless.

Food Update

The club will be working with Neighborhood Pub & Grill moving forward on some food items for the stand. We would like to thank Ethel's for helping the club for multiple years.

10/6 Meeting

10/6 meeting to be held at Neighborhood Pub and Grill at 7 PM.

Adjournment
