

Hi Friends,

My name is Xstazjha (or Ms.X (it's not as hard as it looks, I promise!)) I am very ecstatic to start this new journey with you and Jump! I love love love children; my favorite part is seeing them grow and laugh! A little bit about myself, I have spent half of my life in Germany and the other half in the USA. (Yes, I can speak a little

German.) I was in recreational gymnastics when I lived in Germany, as well as ballet and cheerleading. When I moved to the states I picked up other sports such as basketball, volleyball and track. I LOVE Athletics!

My class will be hands-on and most of all FUN! I have worked with kids my whole life from babysitting to coaching mini sports camps for schools. I am a very fun but detail oriented coach. I love seeing children overcome things that are scary or hard for them. I am very hands on when it comes to teaching and correct in the most positive and gentle way. I will be checking in with parents to make sure we are not only practicing in class but also at home. Practice makes permanent! Above everything else I love to hear those adorable laughs and see those tooth-lacking grins! Can't wait to meet you!

Fun Fact: I love the outdoors, hiking, swimming, BBQ's, even naps!
