Seeing Them Through God's Eyes

This triennial event is intended to better equip those engaged in youth ministries. The focus is on bringing ministry to children and youth with many different needs, challenges, and varying life experiences. We love the diversity of our youth. Now we have an opportunity to learn more about how we can provide welcoming, affirming ministry to them. Areas of focus will include LGBTQIA+, Extrovert vs. Introvert, ADD/ADHD, Autism, varying learning styles, and more!

Anyone who engages with children and youth ministry, whether it be in congregational life, at camps and reunions, or beyond, is invited to attend the 2018 Youth Ministries Summit. No matter your age or role with children and youth ministries, this event is for you!
