

VETERANS OF FOREIGN WARS AUXILIARY
MEMBERSHIP AND RECRUITMENT
DEPARTMENT OF WISCONSIN

September 2019

www.wivfwaux.org

Hope you had a wonderful summer. Children are back in school and we are settling back in our daily routines. Now is not the time to get complacent, we need to get those dues collected. I just received the membership report from Department Treasurer Lenore, and July was a slow start on collecting continuous dues. Contact your members and remind them that their dues are due now. If they are an inactive member give them a special invitation to attend the next meeting. Offer to pick them up and take them with you. Maybe you can do something special and they will keep coming. If you know a member is ill, send them a get-well card.

Invite Others to Join. Share your passion for the work our organization does for our nation's heroes and ask someone to join:

- While having coffee.
- While eating lunch with a co-worker.
- At a church or school function.
- By inviting them to an upcoming Post and/or Auxiliary event.
- When sharing scholarship opportunities for our youth.

Talk to prospective members about the benefits of being a member. Tell them about the cancer grant and the Disaster Emergency Fund. Tell them about all the programs for our Veterans and the youth programs. Explain to them that being an Auxiliary member is a way of honoring a loved one that gave so much for our freedom. Have a family fun night and invite the public.

Be sure to have application forms handy. VFW Auxiliary National Headquarters is pleased to offer the following brochures to our members at no charge: Membership Brochure and a Fact Sheet. Log into www.vfwauxiliary.org, sign into MALTA and under Programs and Publicity Resources – Membership, you will find the order form.

“Giving Hope to Veterans and Families” – “Serving Veterans with Aloha”.

Inez Semingson, Membership and Recruiting Chairman
