

The Camera Club for Everyone

June 4th Meeting: Special Event

Meetings are at the Clover Arts Center (formerly Baptist Temple)
1101 Clover St., Brighton.

To **end** the Camera Rochester calendar year we're hosting a very special event on June 4th at 7 p.m. Popular judge, professional photographer and retired RIT photography professor Howard Levant will discuss photos of his choice. Members are asked to **bring two (2) print photos for discussion**. The first image must be of a person in any environment. This could be a portrait, street photography or any image that includes at least one person. The second image can be anything the photographer chooses to share.

To begin the evening, images of people in an environment will be displayed. Howard will select the images in the order he wishes to discuss them with the photographers. It is possible that Howard will not get to all of the images members bring in but he will get to as many as possible within the allotted time. Audience members will be included in the discussions. After a set time we'll take a break and the open topic images will be displayed for Howard to select. The format will be repeated.

If you don't wish to publicly discuss your images with Howard, still plan to attend as Howard is entertaining and thoughtful in his critiques. We always learn a great deal from his insights into our work.

For this special end of year event *members are asked to bring a dessert to share*.

It should be a wonderful evening of interesting conversation and yummy treats. Plan to attend.

PhotoShop -> PhotoShoot at ArtisanWorks

Saturday, June 16, 2018 - 9:30AM – 6:00PM

Instructor – Don Menges - Dmenges521@gmail.com

PhotoShop -> PhotoShoot is a beginner to intermediate level PhotoShop class being taught at the home of one of the most interesting places in Rochester – Artisan Works. We will begin with very basic editing techniques in Photoshop. In a couple of hours, you will be able to improve the appearance of almost any image including, leveling, cropping, exposure, contrast, color balance and more. We will discuss RAW vs JPG images.

Next we go on a photoshoot around ArtisanWorks. There are tons of great possibilities. We will briefly talk about aperture, shutter speed, and ISO as well as shooting bracketed images. Artisan Works can be a tricky place to photograph. We'll break for lunch and talk about our shooting experiences.

Most of the afternoon will practice using different selection tools and then harness the real power of PhotoShop – Layers and Masks. We will edit images we took during our photoshoot!

The class is **limited to 10 people**, so you may want to sign up as soon as possible.

Here's what you will need to have to enjoy this class;

A laptop computer with PhotoShop CS6 or higher installed.

A camera for the photoshoot.

A tripod if you have one.

A card reader to get your files onto your laptop (optional).

A bag lunch and something to drink.

Plein Air and Photography

The words, Plein Air and Photography, don't often occur in the same sentence.

Plein Air describes the still popular act of painting outside, in the open air.

In recent years, Plein Air painting has sometimes taken on a competitive edge as art clubs and galleries have organized events, pitting artists against each other to determine, who in a limited period of time in a specific location, can produce the best images.

In June, Gallery 96 is applying the rules of Plein Air competition to photography.

Photographers will take pictures from Monday, June 11 through Sunday, June 17. All photographs must be taken during that seven day period at one or more of the following locations:

Mendon Ponds Park
High Falls, Rochester
Canandaigua Lake

Each photographer will submit three photographs. They may be landscapes, portraits, street photography images, architectural images, or you may mix a landscape with a portrait or other image as you see fit. The three images will be judged as a single entry.

The entry fee is \$30. (Please call Julie Jackson at 585-248-8128 with your credit card information.)

Gallery 96 will acknowledge the top five photographers by printing and mounting their images and placing them on display at Gallery 96. In addition, Gallery 96 will offer cash prizes for the first, second, and third place photographers.

Entries to be submitted at 1920 pixels on the long edge via email to

gwallace@thegallery96.com.

Entries may also be submitted on a CD at Gallery 96, 604 Pittsford Victor Road, Pittsford, NY 14534.

The format for naming your images is: your last name. title of the image.jpg. In addition to your jpg files, include a digital text file containing: title of image; your full name, and selling price of your unframed image. Please separate each field with a semicolon (;) and each record with a return.

Please also include separately your name, address, phone number, and email address.
